How to Kill the Giant in Your Life Carolyne English, 2007-02 I was led to write How to Kill The Giant In Your Life because God know that our life is like that of David facing the giant the enemy in our daily walk We are heirs in the Kingdom of God because we are His children God has given us authority but we refuse to use it yet we pray for things or situations that God has given us the authority to handle or change ourselves We live by faith and not by sight If we have the faith to believe and move our faith out of Neutral and put it in Drive we can have the same victory God gave David In Isaiah 54 17 No weapon formed against you shall prosper and every tongue which rises against you in judgement you shall condemn Did God say he will condemn or you shall condemn Matthew 18 17 Whatever you bind on earth will be bound in heaven and whatever you loose on earth will be loosed in heaven Did God say He will bind or loose or did He say whatever you bind or you loose I think being a Teacher is one of the greatest gifts of all In order to understand God we first must know who God is and in order to know who God is we first must take the time to study the Word The Book of Genesis teaches about God s Royalty Family His Creation His Kindgom We pray a simple prayer because God deals with the heart and God still hear our prayers We can pray with a sincere heart and cry out to God and He still rescues us and answers us Jeremiah 33 3 Call unto Me and I will answer thee and show thee great and mighty things which thou knowest not As we grow spiritually our prayer life changes the same way as we mature in our walk with Christ We drank milk as babes and when the times comes we are no longer drinking milk but we began to eat meat This is the same process for our spiritual growth because we are no longer babes in Christ When we become mature Christians we began to pray scriptural prayers which are more effective but we have to abide in the Word of God Sometimes we have to wait on our prayers to be answered because God is a timely God He is eternal and our time is not His time Sometimes God moves swiftly and He hears the cry of the righteous James 5 16 The effectual prayer of a righteous man availeth much I remembered when I first come to Christ I did not understand some of the Biblical terminology of the Word or it s meaning and I knew there was a lot to learn Yet in my learning there were times I became frustrated because I did not understand the Bible The course English during my adolescent years in school seem to be the hardest Language to learn because of conjunctions pronouns verbs adverbs and adjectives and when I stated reading the Bible I thought Oh my God how do you pronounce the names and what do these parables mean I found out that if you ask God for understanding of His Word He will give you understanding because it is His will for us to know the will of God and not to walk in ignorance of His Word This book is about learning how to fight the enemy how to use God s weapon and knowing the weapons of God It is also about learning as you grow spiritually 2 Corinthians 10 4 For the weapons God s Word of our warfare war against the enemy satan are not carnal worldly or earthly but mightily through the pulling down of strongholds strong defensive structure of protection We are fighting against things that cannot be seen by the naked or natural eyes Have you ever seen someone who Out of the blues happened suddenly attack you mentally or physically and there was actually no

logical reason for this strange behavior Well it was not the person in the natural that attacked you but the enemy that used this person Read 2 Corinthians 10 4 again to find out who the enemy is This is what needs to be taught in churches so that Christians can become Prayer Warriors I pray that this book will inspire those who are seeking God to learn and know th

Yudofsky,2015-04-01 People can become stuck in many ways and for a wide variety of reasons explains the author of Fatal Pauses that rare book that both clinicians and general readers can benefit from and enjoy Novelistic in its depictions of composite patients but clear eyed in its analysis the book offers a 3 D method of addressing stuck ness which is defined as not stopping something that is bad for us or not starting and staying with something that is good for us The process of discovering why one is stuck deciding to become unstuck and then asserting the discipline required to do so is brought to vivid life by one of the most respected psychiatrists of our day The book s structure is logical and engaging The Am I Stuck Scale can be self administered by general readers or administered by clinicians to their patients This first chapter sets the stage for what follows The 3 D method of getting unstuck is presented in a systematic easy to comprehend manner that begins with a brief overview and proceeds to more detailed instructions and insights Riveting case examples make up the heart of the book They are not mere summaries but consist of thorough and detailed clinical descriptions that provide context in addition to extensive dialogue and analysis Several of these cases are divided into multiple chapters providing a comprehensive clinical picture to help both mental health professionals and lay readers increase their understanding of being

stuck A range of categories or stuck ness is addressed including being trapped by career choices limited by obesity paralyzed by an unsatisfying marriage incapacitated by addiction and imprisoned by the need to please Of special note is the case example of a young man whose interpersonal relationships have gradually but progressively become reduced to computer based encounters The author s examination of this individual s fixation on video games and virtual realities and his escape from this cyberprison through treatment is both timely and compelling Finally the author provides an evolutionary and neurobiological overview of how we become stuck which helps the reader grasp the underpinnings of this behavior and learn how to become unstuck Written in a warm and disarming style Fatal Pauses will find a home in clinicians libraries waiting rooms and on family room bookshelves
