Child Development Carolyn Meggitt, 2006 Provides an illustrated quick reference guide to child development from 0-16 years written specifically for Early Years students and practitioners **Child Development** Carolyn Meggitt, 2006

Child Development Carolyn Meggitt, 2007-09 **Child Development** Carolyn Meggitt, 2007-09-28 Early Years Pack: Child Development - An Illustrated Guide / Examining Child Development Harcourt Education, 2003-01-01 These two books provide comprehensive coverage of the theory and knowledge associated with all aspects of childcare and education up to the age of eight **Understanding Child Development: 0-8 Years, 3rd Edition** Jennie Lindon, 2012-12-14

Understanding child development 0-8 provides you with thorough coverage of theory about how young children develop and the practical implications of research. This book will enable students and practitioners to understand what happens within early childhood and factors that promote secure learning and well-being. The author focuses especially on the importance of personal, social and emotional development, the significance of developing communication skills and the contribution of young children's physical development. This book is part of Jennie Lindon's series Linking Theory and Practice. The established approach provides accessible descriptions of relevant theory and research yet links this information closely to best practice with young children and families. The content and style of the series has been developed to support students on Early Childhood degree programmes, Early Years Foundation Degree courses, practitioners working towards Early Years Professional Status and also experienced senior practitioners extending their professional development and that of their team.

The Developing World of the Child Wendy Rose, David P.H. Jones, Jane Aldgate, 2005-12-20 Written as part of a training pack for practitioners working in children's services and child protection and bringing together leading figures from a range of disciplines, this important text shows how the latest child development theories can be applied to professionals working in practice.
