I have found the last few years to be the most challenging in my life and the most fulfilling. I have laughed with my mother and cried with my mother but most of all I have been there for her as she was for me as I was growing up. *A Caregiver's Story*     The Nonprofit Sector in Canada Queen's University (Kingston, Ont.). School of Policy Studies, 2000. Governments see not for profit agencies as an alternative mechanism for delivering public services. Activists see voluntary organizations as instruments of change. Analysts see community organizations as sources of trust and social cohesion. Despite these heady expectations we know remarkably little about the not for profit sector in Canada. In this book a group of scholars respond to the need for basic research in this field, exploring the scope of the not for profit sector, the diverse roles that such organizations play and their relationships with other sectors.     *A Guide to the Study of Manitoba Local History* Gerald Friesen, Barry Potyondi, 1981     **Canadiana** ,1991
