Michal Rosen-Zvi

Destroying Carter The Carter Trilogy Volume 3:

Marxism and 20th-Century English-Canadian Novels John Z. Ming Chen, Yuhua Ji, 2015-06-09 This monograph is the first academic work to apply a neo Marxist approach to 20th century Canadian social realist novels pursuing a refreshingly neo Marxist approach to such issues as Bakhtinian notions of the novelistic form and dialogism as applied to Canadian socio political novels influenced by various socialisms socialist feminist concerns economic and sexual politics and the genre of social realism In so doing it demonstrates that Marxist socialism is as relevant today as it was in the 1930s just as social realist novels continue to thrive as a critique of capitalism Readers will find valuable insights into the social significance formal innovations moral sensitivity aesthetic enrichment and ideological complexity of Canadian social realist novels

Pauline Politics Daniel Oudshoorn, 2020-03-10 The Pauline Epistles have been claimed as a useful ally by parties across the political spectrum Neoconservatives claim that Paul and his coworkers were law abiding authority honoring devoutly religious people oriented around their respect for hard work private property and family values Liberals claim that the Pauline faction was devoted to the celebration of diversity internally transcending social markers of status and the embrace of peace Radicals claim that Paul was a leader within an anti imperial revolutionary movement sweeping across the eastern portion of the Roman Empire However it is rare for these and still other parties to engage in dialogue with each other because each party tends to operate with presuppositions that make open engagement difficult Pauline Politics examines the main positions taken in relation to Paul and politics and then engages in a thorough examination of the underlying arguments used to argue that this or that position is more or less plausible Underlying arguments tend to relate to two things first positions on the socioeconomic status of Paul his coworkers and other early Jesus loyalists and second positions on Pauline eschatology This volume will comprehensively explore these matters The Cambridge World History: Volume 7, Production, Destruction and Connection, 1750-Present, Part 1, Structures, Spaces, and Boundary Making J. R. McNeill, Kenneth Pomeranz, 2015-04-30 Since 1750 the world has become ever more connected with processes of production and destruction no longer limited by land or water based modes of transport and communication Volume 7 of the Cambridge World History series divided into two books offers a variety of angles of vision on the increasingly interconnected history of humankind The first book examines structures spaces and processes within which and through which the modern world was created including the environment energy technology population disease law industrialization imperialism decolonization nationalism and socialism along with key world regions A Critical Dictionary of English Literature and British and Sequels Janet G.
