

## Case Projects- Chapter 5

### Case Project 5-1: Designing a Wireless Network for Housing Team Members

I would recommend 3 features: sufficient capacity, strong WPA2 encryption, a wireless network that can handle several hundred devices, I would install access points that would allow the staff to connect to the network in multiple rooms and use their laptops. I would recommend the college administration and other groups. If not I would recommend that the staff be trained. I would get some good advice from the network design team. I would recommend to the network design team.
