Community Development Tomas Donato Andres, 1988 **Official Gazette** Philippines, 1989 Philippine national bibliography, 1991 **Communicating Christ in the Buddhist World** Paul H. De Neui, David Lim, 2006-06-01 We issue this book amidst the challenges arising from the resurgence of religions in the various nations of the post modern world As Islamic fundamentalism grabs the headlines Buddhist fundamentalism has also been on the rise particularly in Southeast Asia mainly in reaction to the conversionist incursions of Islam and Christianity among them Over the last thirty years Buddhism has also seen growth in the West as it s non dogmatic rationality offer of spiritual mentoring and opportunity for personal transformation have made it attractive to post modern society Are there both theological approaches as well as practical strategies for evangelical christians to use our evangelization efforts among Buddhists without any unnecessary problems to the increasing conflicts in the encounter of religions We believe there are This is the fourth and latest volume in the Buddhist World series which includes *Sharing Jesus in the Buddhist World* *Sharing Jesus Holistically with the Buddhist World* and *Sharing Jesus Effectively in the Buddhist World* Compiled from papers presented at the annual SEANET Missiological Forum in Thailand *Communicating Christ in the Buddhist World* delivers fresh insights from mission theologians and practitioners The first four chapters reflect on the theological framework by which Christians can fulfill the biblical mandate to evangelize and transform peoples The next five chapters consider the significant sociological issues that have arisen in the Christian encounter with Buddhist peoples The final three suggest some strategic ways forward for effective evangelism in the Buddhist world May this book challenge the international Christian community to find better ways of relating to and approaching people of other faiths *Sharing Jesus Holistically with the Buddhist World* David S. Lim, Steve Spaulding, 2005 This book contains the works of a group of Evangelical mission reflective practitioners who are committed to developing ways to evangelize the Buddhist peoples of the world As various forms of Buddhism gain popularity this network tries to disclose creative approaches to reach them with the gospel communicated in culturally sensitive ways and with transformational impact The five major dimensions of a holistic witness among Buddhist peoples discussed in this book are experiential dialogue intellectual dialogue biblical exposition cultural sensitivity and economic development We invite readers to gain access to the first volume *Sharing Jesus in the Buddhist World* which consists of nine papers that provide the framework and some concrete models of cultural sensitive contextualized witness to peoples of Buddhist faith It will serve as a rich resource for those concerned with the issues raised in this book Developing Indigenous Leaders Paul H. De Neui, 2013-06-01 Every movement is only one generation from dying out Leadership development remains the critical issue for mission endeavors around the world How are leaders developed from the local context for the local context What is the role of the expatriate in this process What models of hope are available for those seeking further direction in this area particularly in mission to the Buddhist world of Asia To answer these and several other questions SEANET proudly presents

the tenth volume in its series on practical missiology *Developing Indigenous Leaders Lessons in Mission from Buddhist Asia* Each chapter in this volume is written by a practitioner and a mission scholar The ten authors come from a wide range of ecclesial and national backgrounds and represent service in ten different Buddhist contexts of Asia With biblical integrity and cultural sensitivity these chapters provide honest reflection insight and guidance There is perhaps no more crucial issue than the development of dedicated indigenous leaders who will remain long after missionaries have returned home If you are concerned about raising up leaders in your ministry in whatever cultural context it may be this volume will be an important addition to your library
