

## *Let's recall*

### **Question 1:**

Why were people dissatisfied with British rule in the 1870s and 1880s?

### **Answer 1:**

Some of the reasons for dissatisfaction with British rule in the 1870s and 1880s are as follows:

- The Arms Act was passed in 1878. This Act disallowed Indians from possessing arms.
- The Vernacular Press Act was passed in 1878. This Act empowered the government to confiscate the assets of newspapers including their printing presses, if the newspaper published anything "objectionable".
- The government tried to introduce the Ilbert Bill in 1883. The bill made provisions for trial of British or European persons by Indians. Thus, the Ilbert Bill sought equality between British and Indian judges in the country. But the whites opposed the Bill and forced the government to withdraw it.

### **Question 2:**

Who did the Indian National Congress wish to speak for?

### **Answer 2:**

In spite of being a body of the educated elite, the Congress also talked about the common people.

### **Question 3:**

What economic impact did the First World War have on India?

### **Answer 3:**

The First World War changed the economic and political situation in India. There was a sharp price rise which increased the problems of the common people. The business groups reaped huge profits because the war increased the demand for all kinds of goods. Reduced imports meant that the new demand was being met by the Indian business houses. The business groups now began to demand more opportunities for development.

### **Question 4:**

What did the Muslim League resolution of 1940 ask for?

### **Answer 4:**

In the 1940, the Muslim League moved a resolution to demand "Independent States" for the Muslims in the north-western and eastern areas of the country.

## *Let's discuss*

### **Question 5:**

Who were the Moderates? How did they propose to struggle against British rule?

### **Answer 5:**

In its first twenty years, the Congress was "moderate" in its objectives and methods. The Congress leaders of this period were called the Moderates. During this period, the main demand of Congress was about getting a greater voice for Indians in the government and administration.
