the fascinating untold stories behind their making Briggs is best known as the cowboy hat wearing Texas drawling host of Joe Bob's Drive in Theater and Monstervision which ran for fourteen years on cable TV His goofy disarming take offers a refreshingly different perspective on movies and film making He will make you laugh out loud but then surprise you with some truly insightful analysis And with more than three decades of immersion in the cult movie business Briggs has a wealth of behind the scenes knowledge about the people who starred in and made these movies There is no one better qualified or more engaging to write about this subject All the subgenres in cult cinema are covered with essays centering around twenty movies including Triumph of the Will 1938 Mudhoney 1965 Night of the Living Dead 1967 Deep Throat 1973 The Texas Chain Saw Massacre 1974 Drunken Master 1978 and Crash 1996 Accompanying the text are dozens of capsule reviews providing ideas for related films to discover as well as kitschy and fun archival film stills An essential reference and guide to this overlooked side of cinema Profoundly Disturbing should be in the home of every movie fan especially those who think they've seen everything

Mr. Bunt Ira Mallory Remsen, 1924 **The Dead Phone** Bryan W. Alaspa, 2015-01-08 Warren Hollis is a seasoned true crime writer He likes to submerge himself in the local culture when he writes so he packs his essentials and heads to Knorr Pennsylvania It's a tiny town in western PA the kind of town most people on their way to Pittsburgh or New York would drive right past It's a town full of friendly smiling people but it hides a

dark past Years ago a man began sneaking into the bedrooms of young girls and taking them under the cover of night Days later a grisly calling card would be left for the families to find He became known as The Boogeyman and the rural town of Knorr and the surrounding communities have done all they can to forget those terrible days when no one was safe not even when nestled into their own beds Warren arrives and starts asking questions He stays in a small cabin just outside of town It s a nice place exactly what he s looking for There s just one strange thing a big heavy black phone at the top of the stairs It s not connected to anything The phone is just a decorative hold over from the party line days Something about it disturbs Warren the way something about Knorr disturbs him as well Someone is hiding something about The Boogeyman Then the killing starts again And in the middle of the night a phone that should never be able to ring begins to do just that *The Snapping of the American Mind* David Kupelian,2022-09-20 America the beautiful has become America the bizarre REVISED AND EXPANDED EDITION A must read if you really want to understand the world we live in and where it s headed SEAN HANNITY David Kupelian s *The Snapping of the American Mind* chronicles the decline and fall of America and shows that it is no accident but rather a direct result of progressive misrule an eye opening scary and galvanizing book DINESH D SOUZA David Kupelian has once again given us a must read in these times of political turbulence and cultural insanity PAUL KENGOR America the beautiful has become America the bizarre Government promotes shockingly deranged policies while purposely turning citizens against each other Christians are prosecuted as criminals children transition to the opposite sex crime skyrockets and 130 million Americans depend on mind altering substances just to get through life Turbocharged by the Obama presidency and continuing into the present day long coalescing forces of the political and cultural Left are bringing about their much heralded fundamental transformation of America That much everyone knows But this revolution is also causing a fundamental transformation of Americans in profoundly negative ways In *The Snapping of the American Mind* veteran journalist and bestselling author David Kupelian shows how the progressive Left which today dominates America s key institutions from the news and entertainment media to Big Tech to education to government itself is accomplishing much more than just enlarging government redistributing wealth and de Christianizing the culture With the Left s wild celebration of sexual anarchy its intimidating culture of political correctness and its incomprehension of the fundamental sacredness of human life it is also whether intentionally or not promoting widespread dependency debauchery family breakdown crime corruption addiction despair and suicide Surveying this growing chaos in American society Kupelian exposes both the utopian revolutionaries and their extraordinary methods that have turned America s most cherished values literally upside down to the point that madness is celebrated and normality demonized **Tennyson's Rapture** Cornelia D. J. Pearsall,2008-01-29 This book explores Tennyson s representation of rapture as a radical mechanism of transformation theological social political or personal and as a figure for critical processes in his own poetics Offering a new approach to reading Victorian dramatic monologues Pearsall probes the complex aims of these performances showing how speakers

ambitions are both articulated in and attained through their consequential speech **The Modern Standard Drama** Epes
