### Discussion Starters

1. How did the Hunkpapa tribe name babies? How does this differ from how you were named?  
*Childhood name given based on the way a child acted. Answers will vary - family name handed down, often decided before birth, always given with 1-2 days of actual birth, sometimes several names until they see baby-then decide.*
2. Why was he named "Slow"? How did his name make him feel about himself as a young boy?  
*How could a boy change his name?*  
*It took him a long time to eat and come when called - every action was slow moving! He was not happy, but most young boys were not happy with their names. He had to earn a new name by having a powerful dream or by doing some brave or special deed.*
3. Slow "Never Gave Up" trying to earn a new name. What did he do to work towards his goal?  
*He listened to his mother tell stories about his father's bravery in battle. Remembered his father*
