

Study Guide for *The Breadwinner*

Note: Be sure to check all websites listed in this Study Guide to ensure suitability for your class.

Getting Started

- Have students each research two facts about Afghanistan (e.g., languages, religion, population, area, capital, life expectancy, literacy rate, monetary unit, flag, geographical features, climate, historical information, art, architecture, music, media). Have volunteers compile the information for a “Quick Facts” sheet or a bulletin board display.
- Read the Author’s Note (pages 167–69) for background information and context.
- Provide information about the author, Deborah Ellis, from online interviews, videos and the About the Author section on the final page of *The Breadwinner*.
- Talk about the meaning of the term *breadwinner*.
- Display a series of maps of Afghanistan and have students consider its geographical features such as its landlocked situation, bodies of water, regions, major cities and bordering countries. Have them discuss the effects of these features on the people who live there. Have them also figure out where it is relative to your latitudinal location, and its size compared with your province or state.
- Have students view photo essays or other collections of photographs of Afghanistan and have them discuss their responses with a partner or small group.

Questions for Discussion/Writing

Chapter One

1. What characters do you meet in this chapter? Begin character profiles for each one: write their names or sketch the character and write some notes about what you have learned about each of them.
2. How has life changed for Parvana’s family in ten years?
3. Imagine that suddenly you were not allowed to go to school. How would you feel after the first day? After the first month? After a year?
