2022 REVIEW

Consumer Guide To Violins

Martin Bookspan

Consumer Guide To Violins:

The Violin David Schoenbaum, 2013 Traces the history of the instrument from its first appearance in the mid sixteenth century to its modern use by artists writers and Hollywood and discusses how the affordable portable instrument can be used to play Beethoven jazz and indie rock

A Cultural History of the Violin in Nineteenth-Century London Tom Wilder, 2025-03-18 Examines the violin's evolution as not just instrument but valued object of art through the eyes of musicians collectors makers dealers connoisseurs journalists auctioneers and traders The nineteenth century saw developments in the composition performance and reception of classical music that led to an unprecedented shift in how the violin was appreciated from humble craft object to one of art A utilitarian tool defined in 1800 by its tonal properties became by century's end an expensive object of art classified almost exclusively in terms of physical visible properties In London's vibrant musical life Cremonese violins acquired special significance and in turn helped shape the beliefs knowledge and behaviour of the disparate actors connected to the instrument musicians collectors makers dealers connoisseurs journalists auctioneers and traders By 1880 London had supplanted Paris as the centre of the international violin trade One firm in particular W E Hill Sons emerged as a major presence in both the local musical community and the global violin market The Hills were makers restorers dealers and connoisseurs They were also writers collectors and melomaniacs deeply implicated in London's instrument auction and exhibition scene The mutually reinforcing nature of these activities which they consciously turned to account for commercial reasons bear witness to events and developments earlier in the century Their story illuminates this first study of the violin's nineteenth century journey from simple musical instrument to mystified work of art

The Performance Style of Jascha Heifetz Dario Sarlo, 2016-03-03 The violinist Jascha Heifetz 1901-1987 is considered among the most influential performers in history and still maintains a strong following among violinists around the world Dario Sarlo contributes significantly to the growing field of analytical research into recordings and the history of performance style Focussing on Heifetz and his under acknowledged but extensive performing relationship with the Bach solo violin works BWV 1001-1006 Sarlo examines one of the most successful performing musicians of the twentieth century along with some of the most frequently performed works of the violin literature The book proposes a comprehensive method for analysing and interpreting the legacies of prominent historical performers in the wider context of their particular performance traditions The study outlines this research framework and addresses how it can be transferred to related studies of other performers By building up a comprehensive understanding of multiple individual performance styles it will become possible to gain deeper insight into how performance style develops

over time The investigation is based upon eighteen months of archival research in the Library of Congress s extensive Jascha Heifetz Collection It draws on numerous methods to examine what and how Heifetz played why he played that way and how that way of playing compares to other performers The book offers much insight into the music industry between 1915 and 1975 including touring programming audiences popular and professional reception and recording The study concludes with a discussion of Heifetz s unique performer profile in the context of violin performance history *High Fidelity & Audiocraft* ,1988 Contains Records in review **Catalog of Copyright Entries. Part 1. [B] Group 2. Pamphlets, Etc. New Series** Library of Congress. Copyright Office,1918 *Media Review Digest* C. Edward Wall,1975 **Catalog of Copyright Entries** Library of Congress. Copyright Office,1909 [Index to American Reference Books Annual](#) ,1974 [Consumer Bulletin](#) ,1957 *Musical Merchandise Combined for the Duration [with] The Music Trade Review* ,1925 [Revel with a Cause](#) Stephen E. Kercher,2010-06-15 We live in a time much like the postwar era A time of arch political conservatism and vast social conformity A time in which our nation s leaders question and challenge the patriotism of those who oppose their policies But before there was Jon Stewart Al Franken or Bill Maher there were Mort Sahl Stan Freberg and Lenny Bruce liberal satirists who through their wry and scabrous comedic routines waged war against the political ironies contradictions and hypocrisies of their times *Revel with a Cause* is their story Stephen Kercher here provides the first comprehensive look at the satiric humor that flourished in the United States during the 1950s and early 1960s Focusing on an impressive range of comedy not just standup comedians of the day but also satirical publications like MAD magazine improvisational theater groups such as Second City the motion picture Dr Strangelove and TV shows like That Was the Week That Was Kercher reminds us that the postwar era saw varieties of comic expression that were more challenging and nonconformist than we commonly remember His history of these comedic luminaries shows that for a sizeable audience of educated middle class Americans who shared such liberal views the period s satire was a crucial mode of cultural dissent For such individuals satire was a vehicle through which concerns over the suppression of civil liberties Cold War foreign policies blind social conformity and our heated racial crisis could be productively addressed A vibrant and probing look at some of the most influential comedy of mid twentieth century America *Revel with a Cause* belongs on the short list of essential books for anyone interested in the relationship between American politics and popular culture *The Strad* ,1993 [The Antiques Journal](#) ,1977
