Forthcoming Books Rose Arny,2001 Essentials of Contemporary Management Gareth R. Jones,Jennifer M. George,2020 In this ninth edition of Essentials of Contemporary Management we continue to focus on providing the most up to date account of the changes taking place in the world of management and management practices while maintaining our emphasis on making our text relevant and interesting to students And we know from feedback from instructors and students that the text does engage them Our increased focus on the challenges and opportunities facing businesses large and small

and integrated timely examples bring management issues to life for students The number and complexity of strategic organizational and human resource challenges facing managers and employees continue to rise In most companies managers at all levels address these challenges by implementing new and improved management techniques and practices Today relatively small differences in performance between companies such as in the speed at which they bring new products or services to market or in the ways they motivate their employees to find ways to reduce costs or improve performance can combine to give a company a significant competitive advantage Managers and companies that utilize proven management techniques and practices in their decision making and actions increase their effectiveness over time
