

This guide is to help you facilitate discussion with your Small Group. Use it as a resource to lead your group in discovering and owning the truths of God's Word. There may be questions you do not want to use and there may be instances where you just want to focus on a particular point or truth. Some questions may bring out emotions and cause people to dwell on their relationship with God. Your role is to facilitate this experience not to complete the discussion guide. Use this as a flexible teaching tool not a rigid teaching task list.

Connect . . .

Use one or both of the following options to introduce the discussion time to follow.

Option 1

Remind learners that current economic times as well as circumstances such as experiencing a devastating hurricane or tornado can often lead us to conclude that possessions and money do not bring satisfaction. Invite learners to share a time when they got a glimpse of the truth that possessions do not bring happiness and do not last. Answer the following questions:

- Where do we usually turn for joy when possessions fail? Why?
- How easy is it to turn back to possessions when circumstances do not continue to be challenging? Why is that so?

Explain that we will be discussing surrendering possessions and money for the joy that Jesus offers us.

Option 2

Explain that within the Church, we often have our own personal "pet peeve sins." These sins are the ones that we find disgusting and are often quite judgmental of persons who commit these sins. Invite learners to name some of these types of sins. *(Examples could include adultery, homosexuality, pornography, being abusive, drug addiction, etc.)*

Now explain that we often excuse other sins for our own convenience. Invite learners to name some of these types of sins. *(Examples may include lack of self-discipline, lying on taxes, gossip, overeating, and neglecting the poor.)*

Ask the following questions:

- Why do we readily allow or even condone some sins over others that we condemn?
- Although the consequences of some sins will be more pronounced than others, should some be "swept under the rug?"
- What does our categorization of sins indicate about the lack of seriousness with which we view sin?

Explain that we will be discussing the radical nature that Christ views for us to take care of the poor.
