

**QUESTION 3: CONTEXTUAL QUESTION****'THE SHIPWRECK' – Emily Dickinson**

- 3.1 The exclamation 'Glee!' creates a mood of joy/happiness/relief that the danger presented by the storm has passed.  
[Award 1 mark for the identification of mood and 1 mark for an explanation.] (2)
- 3.2 The words acknowledge the close and varied relationships that exist between people in the community; this intensifies the sense of loss and makes the tragedy more personal and real./The deceased were part of a community and each one may have left behind a loved one, thus intensifying their loss.  
[Award 2 marks for one idea well-explained.] (2)
- 3.3 3.3.1 Metaphor/Euphemism (1)
- 3.3.2 The storm has caused huge surges of water to stir up the ocean bed and has created a dangerous concoction of sand and water. The turbulent, whirling motion of the rough sea is similar to the bubbling movement of boiling water. The image is effective because it emphasises the violence and terror of the forty people who lost their lives under such horrific circumstances.  
[Award 2 marks for a comment on the effectiveness of the image.] (2)
- 3.4 The last stanza is effective as it conveys the finality of death and the idea that nature is a powerful force; people are at the mercy of nature and it cannot be controlled. There is a poignant acceptance of the mysterious workings of nature. The children realise that there is no way of explaining a natural disaster that claims so many lives. There is an acknowledgment that 'only the waves' have the answers; there are some things that are inexplicable and beyond the comprehension of people.  
[Award 3 marks only if there is a critical discussion linked to the conclusion.] (3)
- [10]**

**Dbe September 2012 Lo Memo:**

## Adopting the Tune of Term: An Psychological Symphony within **Dbe September 2012 Lo Memo**

In a world used by monitors and the ceaseless chatter of instant communication, the melodic elegance and psychological symphony created by the prepared word often fade into the background, eclipsed by the persistent noise and disturbances that permeate our lives. Nevertheless, set within the pages of **Dbe September 2012 Lo Memo** a charming literary value filled with fresh thoughts, lies an immersive symphony waiting to be embraced. Constructed by a masterful composer of language, that interesting masterpiece conducts visitors on a psychological journey, well unraveling the concealed tunes and profound affect resonating within each carefully crafted phrase. Within the depths of the touching assessment, we shall explore the book is key harmonies, analyze its enthralling writing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
