### SELF-ASSESSMENT OVERVIEW & INSTRUCTIONS

This self-assessment is intended to help guide you in your own professional development. It's important to look inward and be honest with yourself in order to accurately identify areas of strengths and opportunities. Your responses will not be considered toward your yearly Goal Plan ratings but will serve to assist you and your manager in creating a development plan best suited for your goals.

To begin, review the definition of each competency and the key characteristics carefully. Select the self-rating response from the drop-down that reflects your current practices. Once you have completed the entire self-assessment, select one to two individual competencies you would like to focus on for further development. In order to help track your progress, you can add your plan in Dayforce under, Performance → Development Plans.
