Day Of Atonement A Novel Protective Detective:

Day of Atonement Yolonda Tonette Sanders, 2014-11-18 For over 30 years Detective Troy Evans has been haunted by the disappearance of Elana Campbell. With no suspects or leads, the Campbells hire private investigator B K Ashburn and Troy heads back to his hometown of Houston to assist with the case. While there, he reluctantly begins to build a relationship with his father, whom he spent his entire life hating. Meanwhile, Troy keeps running into dead ends on Elana's case except for a gut feeling that Elana's disappearance all those years ago had to do with a member of her own dysfunctional family.

Shadow of Death Yolonda Tonette Sanders, 2015-05-26 The third in the detective series that started with *Wages of Sin* and *Day of Atonement*, this thrilling page-turner explores what happens when homicide detective Troy Evans is framed for the murder of his ex and the secrets that got him there. A devoted husband, father, and detective, Troy will do anything to protect his family, including kill. In a fit of rage, he threatens the life of an ex-girlfriend when she attempts to cause trouble in his marriage. Little does Troy know, his words are caught on tape and will eventually come back to haunt him. When Troy's ex mysteriously disappears, he is convinced that she staged her disappearance to get back at him for his rejection, and his assessment seems plausible until her body is discovered. Soon, Troy becomes the prime suspect in the murder investigation. And as secrets of the past begin to surface, they threaten to destroy more than his reputation; his marriage is at risk too, and ignoring the problem won't make it go away. Now on the opposite side of the law, Troy works diligently to find out who has gone to such great lengths to set him up. With a cloud of suspicion hanging over his head, Troy must prove that he's neither a cheater nor a murderer. If he fails, he could permanently lose his badge, his freedom, and his family. **In Times of Trouble**

Yolonda Tonette Sanders, 2013-04-23 Impressed by outward appearances, Lisa Hampton is quick to judge others based on their status and wealth until her powerful friends try to ruin her happiness. Divorced single mother Lisa Hampton has been able to start a new life after a scandalous incident that forced her to relocate to Ohio. Thanks to her job, she has the opportunity to rub shoulders with some of the wealthiest and most influential people in the state. Lisa's biggest issue nowadays is her rebellious teenage daughter, Chanelle. Other than the stress of dealing with Chanelle, life couldn't be any better for Lisa. She is best friends with Isaac and Olivia Scott, the most influential and powerful couple in the state. If she isn't hanging with Olivia, Lisa is spending time with her new beau, Minister Eric Freeman. His prayers and words of encouragement have helped her weather the storms in her life. Lisa looks forward to the possibility of a future with Eric, though his expectations may be more than she can handle. When Chanelle accuses the Scotts' son of rape, Lisa discovers how quickly her friends become foes as Olivia and Isaac use their wealth, prestige, and power to manipulate justice. And just as things seem to be going smoothly for Lisa and Chanelle, Olivia makes one last destructive move that threatens everything they hold dear.
