

¡Avancemos! Program Components

Core Components

Pupil's Edition

The *¡Avancemos!* Pupil Editions consist of 8 units with 2 lessons each as well as a preliminary lesson. *¡Avancemos!* was developed as a result of extensive research with practicing Spanish teachers from throughout the United States. Based on this research, *¡Avancemos!* (a) integrates culture as a cornerstone for meaningful communication; (b) provides clear goals, careful sequencing, and leveled activities that make practice purposeful; and (c) provides multiple opportunities for language learning that lasts through frequent and regular checkpoints within each lesson, as well as at the end of each lesson and unit. Language retention is further supported with the cumulative review following each unit, and the frequent recycling of previously-learned material, both within and between levels of the program.

Teacher's Edition

The *Proyectos adicionales* section, before every unit, offers ideas for projects, bulletin Board displays, games, recipes, and much more. The **Lesson Overview**, preceding each lesson, includes culture topics with essential culture questions, lesson objectives with skill focus, a list of the program resources that accompany the lesson, and listening activity scripts.

The **Core Pacing Guide**, accompanying every lesson, suggests classroom planning for both 50-minute and 90-minute classes.

Extensive information about how differentiation is provided in the margins with suggestions for teaching **Heritage Language Learners**, **English Learners**, **Pre-AP students**, **Slower-paced students**, **Inclusion students**, as well as **Teaching to the Multiple Intelligences**.

Workbooks

Cuaderno: Práctica por niveles

The leveled workbook supplements the Pupil's Edition and includes activities of three different ability levels (A-basic, B-average, and C-challenging). Activities include vocabulary, grammar, and reading practice. **(Teacher's Edition available)**

Cuaderno para hispanohablantes
