Burget Speech 2015:

Minerals Yearbook ,2014 *Minerals Yearbook* Mines Bureau,Geological Survey,Interior Department,2018-04-19 This edition of the U S Geological Survey USGS Minerals Yearbook discusses the performance of the worldwide minerals and materials industries during year 2013 and provides background information to assist in interpreting that performance These annual reviews are designed to provide timely statistical data on mineral commodities in various countries This volume covers data from Asia and the Pacific Each report includes sections on government policies and programs environmental issues trade and production data industry structure and ownership commodity sector developments infrastructure and a summary outlook Audience Government employees and contractors as well as businesses and employees all working in mineral related trades especially with interests in statistics about mineral commodities overseas will find this resource invaluable **The Bank Culture Debate** Huw Macartney,2019-09-12 The period since the Global Financial Crisis and numerous scandals have exposed some areas of serious illegal and unethical conduct within western banking systems Despite extensive reforms it is increasingly apparent however that there is a persistent problem with the culture of banking in Anglo America US and UK state managers made substantial efforts to reform the culture of their banking sectors However this book argues that they focused on an extremely narrow definition of bank culture They did so for two reasons firstly because the structural pressures of financialization which are a far more important driver of the problematic features of bank culture in Anglo America are harder to remedy but secondly state managers also used their bank culture response to tackle a legitimacy crisis facing their institutions of government In so doing they abdicated responsibility for the real problems of inequality and instability associated with their respective financial systems Drawing on interviews with more than 150 individuals working in financial services as well as regulators politicians and lawyers The Bank Culture Debate explains the strategies employed by state managers before then examining what has and has not changed in the culture of banking in the US and UK *Budget Speech, 2015* ,2015 This booklet is about the 2015 Budget and how it aims to rebalance fiscal policy in order to give great impetus to investment to support enterprise development to promote agriculture and industry and also to make cities engines of growth *Canadian Multimodal Transport Policy and Governance* G. Bruce Doern,John Coleman,Barry E. Prentice,2019-05-15 Given its geographical expanse Canada has always faced long term transport policy issues and challenges Canadian Multimodal Transport Policy and Governance explains how and why Canadian transportation policy and related governance changed from the Pierre Trudeau era through the Chr tien Martin Mulroney Harper and Justin Trudeau eras With particular attention paid to the diversity and ongoing evolution of transportation policy since the 1960s the broad distribution of regulatory authority across different levels of government and the politicization of regulatory regimes and investment decisions since the 1970s Doern Coleman and Prentice attempt to answer three critical questions How and to what extent have policy and governance changed over the decades Where has transport policy resided in federal

policy agendas And is Canada developing the policies institutions and capacities it needs to have a socio economically viable and technologically advanced transportation system for the medium and long term A sweeping history of transportation policy in Canada that fills a gap in the existing literature Canadian Multimodal Transport Policy and Governance concludes that transportation has been subordinate to other federal goals and priorities delaying and eroding transport systems into the twenty first century
