Burning Daylight With Biographical Introduction:

A Literary History of the American West Western Literature Association (U.S.),1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long knowns to be of historical importance are also experiences that need and deserve a literature of importance **Charmian Kittredge**

London Iris Jamahl Dunkle,2020-09-17 Charmian Kittredge London 1871 1955 was the epitome of a modern woman Free spirited and adventurous she defied modern expectations of femininity Today she is best known as the wife of the famous American author Jack London yet she was a literary trailblazer in her own right This biography is the first book to tell the complete story of Charmian s life freed from the shadow cast by her famous husband In this biography Iris Jamahl Dunkle draws the reader into Charmian s private and public worlds underscoring her literary achievements and the significant role she played in promoting her husband s legacy Her life as Dunkle emphasizes required fortitude and bravery and in many ways it paralleled the history of the American West Born on the mudflats of what would become Los Angeles s harbor Charmian became an orphan at age fourteen Raised by her aunt Netta Wiley Ames a noted writer and editor for the Overland Monthly Charmian attended college became an expert equestrian and concert pianist and had a successful career as a stenographer But her life shifted when in 1905 she married Jack London already a bestselling author For the rest of Jack s life until his untimely death at the age of forty reporters would follow the couple s every move Charmian and Jack traveled the world exploring and writing together In addition to collaborating with Jack on many of his projects Charmian wrote three books about her travels as well as countless articles After Jack s death in 1916 she remained a celebrity continuing to travel and write and seek adventure She also wrote a biography about her late husband and managed his estate influencing how Jack s literary legacy was remembered Charmian Kittredge London is a central figure in California cultural history Now thanks to Dunkle s riveting portrait readers have the opportunity to embark on the grand adventure that was her life
