Informal Order and the State in Afghanistan Jennifer Brick Murtazashvili, 2016-04-21 Despite vast efforts to build the state profound political order in rural Afghanistan is maintained by self governing customary organizations Informal Order and the State in Afghanistan explores the rules governing these organizations to explain why they can provide public goods Instead of withering during decades of conflict customary authority adapted to become more responsive and deliberative Drawing on hundreds of interviews and observations from dozens of villages across Afghanistan and statistical analysis of nationally representative surveys Jennifer Brick Murtazashvili demonstrates that such authority enhances citizen support for democracy enabling the rule of law by providing citizens with a bulwark of defence against predatory state officials Contrary to conventional wisdom it shows that traditional order does not impede the development of the state because even the most independent minded communities see a need for a central government but question its effectiveness when it attempts to rule them directly and without substantive consultation **Battle Cries and Lullabies** Linda Grant De Pauw, 2014-07-11 In this groundbreaking work which covers thousands of years and spans the globe Linda Grant De Pauw depicts women as victims and as warriors as nurses spies sex workers and wives and mothers of soldiers as warrior queens leading armies into battle and as baggage carriers marching in the rear Beginning with the earliest archaeological evidence of warfare and ending with the dozens of wars in progress today Battle Cries and Lullabies demonstrates that warfare has always and everywhere involved women Following an introductory chapter on the questions raised about women s participation in warfare the book presents a documented chronological survey linked to familiar models of military history De Pauw provides historical context for current public policy debates over the role of women in the military Whether one applauds or deplors their presence and their actions women have always been part of war To ignore this fact grossly distorts our understanding of human history

We Kill Because We Can Laurie Calhoun,2015-09-15 Welcome to the Drone Age Where self defense has become naked aggression Where courage has become cowardice Where black ops have become standard operating procedure In this remarkable and often shocking book Laurie Calhoun dissects the moral psychological and cultural impact of remote control killing in the twenty first century Can a drone operator conducting a targeted killing be likened to a mafia hitman What difference if any is there between the Trayvon Martin case and the drone killing of a teen in Yemen We Kill Because We Can takes a scalpel to the dark heart of Western foreign policy in order to answer these and many other troubling questions

Bombing Pompeii Nigel Pollard,2020-11-18 *Bombing Pompeii* examines the circumstances under which over 160 Allied bombs hit the archaeological site of Pompeii in August and September 1943 and the wider significance of this event in the history of efforts to protect cultural heritage in conflict zones a broader issue which is still of great importance From detailed

examinations of contemporary archival document Nigel Pollard shows that the bomb damage to ancient Pompeii was accidental and the bombs were aimed at road and rail routes close to the site in an urgent attempt to slow down the reinforcement and supply of German counter attacks that threatened to defeat the Allied landings in the Gulf of Salerno The book sets this event along with other instances of damage and risk to cultural heritage in Italy in the Second World War in the context of the development of the Allied Monuments Fine Arts and Archives the Monuments Men *Forthcoming Books*
