Gray,2016-03-24 Calico always looked out for her older brother Rush and did as he asked even if in her mind she cursed him to high heaven It was no different when he told her that he had a new friend coming into town and wanted her to treat him right because he could open doors for her As always she smiled but she had her own plans However those plans went out of the window when she saw the handsome sun kissed blue eyed Italian Andreas Suddenly the idea of a having a little fun for one night didn t seem that bad after all Andreas was used to people trying to hook him up in the hopes of getting in his good favors so the fact that Rush was throwing his sister at him was nothing new However that all changed when he realized that the gray eyed chocolate beauty had no idea who he really was He was shocked when their night of fun and sex ended with her thanking him for his services as she walked out of his life Two years later crazy circumstances brought him back into her life with Andreas now being forced to protect her from the mess that her brother Rush put her in After being given another chance Andreas is determined to make Calico his However when the truth comes to light that Andreas is one of the five powerful Italian Dons of Miami will Calico stay to be The Billionaire s Mob Wife      Not My Daughter Jolie Damman, I never intend for it to happen It s just supposed to be a one night stand a temporary escape from my mundane life But as soon as I lay eyes on him I know that one night will never be enough He s a Russian god with a towering presence and a body so perfect it could make angels weep His piercing green eyes bore into my soul and I m powerless to resist I know the risks of falling for him but my body craves his touch and my heart yearns for his love The problem is I m already in a committed relationship with his older brother I know I m playing with fire but I can t help myself The passion we share is too intense too explosive too romantic I know it s wrong but my love for him grows stronger with each passing day The guilt weighs heavily on me but I can t bring myself to end it I m addicted to him and I can t let him go And then the unexpected happens I find out I m pregnant with his child The news turns my world upside down The guilt and shame consume me and I don t know what to do Should I tell him the truth and risk losing everything Should I leave my current partner and start a new life with the man I truly love I m torn between what s right and what my heart desires But one thing is for certain I can t keep this secret forever The consequences of my actions will eventually catch up to me and I m running out of time      **Protector** Terri
