Journey to Illogical God Warren Stone,2024-11-27 Warren Stone the author fell through the ice on Lake Agnew Ontario in the dead of winter trapping him in an icy prison with water penetrating his clothing and gradually pulling him down As his face slipped under the surface he extended his right hand upward and shrieked God help me Though Warren expected to see Jesus take his hand and pull him to safety he saw only snow against the darkened sky He resigned himself to the fact he would drown in a moment then blanked out When he regained consciousness he stood four feet back from the hole staring into the water and broken ice where he struggled The only tracks in the snow on the lake were his and there was no disturbance in the snow around the hole Warren tried to logically rationalize his escape for two years without success Finally he had to admit that God saved him a man who did not love or believe in Him who never did one single thing for Him and who denied and ridiculed Him This event spurred Warren to begin a twenty year journey to God's side Along the way events occurred that taught him about the power of God and his great love for him and others And he also learned that God is not a logical being He does not follow the laws of science or physics time is His tool not a limitation and He truly is immortal Finally accepting these illogical facts Warren gave control of his life to God and became an enlightened person Journey to Illogical God chronicles and discusses the series of miraculous events that led Warren to be saved by God and serve Him This book is filled with true stories and unpredictable surprise endings that warm the heart
