J. West, As Sarah and Julian begin their quest to uncover the truth surrounding his curse a new threat arises endangering not only their lives but the future they hope to build with one another In order to protect themselves and those they care about the most Julian and Sarah must use all of the resources at their disposal to neutralize their adversaries For Julian this means relying on his sister Mira and the Council of Elders in New Orleans to uphold the laws within the supernatural community there and mete out justice to those who disobey them Sarah must seek the assistance of the alfar who are more than happy to oblige the wishes of their future queen and ruler of House Moonshade As she begins to accept the responsibilities of her birthright Sarah's knowledge of the rivalries between the alfar houses grows revealing to her how tenuous peace is among them While Sarah delves deeper into their world she discovers just how far they're willing to go to serve and protect her Such loyalty brings into focus her duty to the alfar and the dreams she might have to abandon in order to live up to her heritage Torn between two worlds Sarah must decide whether or not she can have the best each has to offer or if she will have to choose between the man she loves and protecting the legacy of House Moonshade

Unwavering (Book 2, The Wolf Kings of Twilight) S. J. West, 2024-04-27 Ivy The life of a pirate is not the life for me With Alek holding me hostage this time I fear there will be no escaping my fate Just like Damon and Simon he wants me to help his people reverse the curse they're facing but I'm not the only cure I have to convince Alek that the real cure lies within the Barrens where Margaret discovered the elixir Who knew my humanity would become my greatest gift and my worst nightmare Can Damon rescue me before Alek forces me to become his mate for life Or will I be doomed to live on the high seas forever and never again see the one man who has captured my heart Damon There is nowhere Alek can take Ivy that I won't venture to It's not a matter of if I will get her back It's a matter of when She's the one person I can't live without and I'll be damned if I let some two-bit pirate keep her away from me Once she's back home we'll venture into the Barrens together and find the fae With Vampir's help I'm sure we can convince his people to provide us with more of the elixir After we

have the cure Ivy will be free to live her life in whatever way she chooses I hope she chooses me because a life without her would be no life at all
