

## Deadly Nadder

This dragon is very vain and has an explosive temper. It spends a great deal of time preening itself. Nadder is very fast, can shoot spikes from its tail, and breathes the hottest fire of all dragons, capable of melting metal.

## Terrible Terror

Terrible Terror is roughly the size of a housecat, but is one of the most feared. Its size is deceiving, and its fire blast is pinpoint accurate. They spend most of their energy fighting amongst themselves, like rowdy siblings.
