## **Drawing Activities For Proportion:**

*Drawing* Keith Micklewright, 2005 Contrary to assumptions that drawing is a gift that cannot be learned this book demonstrates that it is a highly teachable skill As well as instructing the student how to draw the book also serves as a visual handbook for artists and designers who need to express ideas through drawing Each chapter addresses a key topic in drawing method and theory in order to improve technique and understanding Issues such as perspective and the manipulation of tones and marks to make 3 D forms are tackled in a simple and direct way with a wealth of drawings by the great masters of the medium in addition to diagrams and tables Each section also offers ways for the student to put into practice the ideas and concepts discussed These Ideas to Explore range from practical exercises in drawing to the selection of drawing surfaces such as paper and subjects to discovering ways of thinking

**Communication and Sex-role Socialization** Cynthia Berryman-Fink, Deborah Ballard-Reisch, Lisa H. Newman, 2015-10-23 Originally published in 1993 The essays in this book collectively seek to illuminate the role of communication and sex role socialization throughout the life cycle Section 1 addresses some important issues and behaviours that have an impact on the beginnings of the socialization process Section 2 covers socialization later on in relationships the workplace and the political arena while section 3 looks at manifestations of socialization through communication strategies and skills Finally section 4 addresses ways to alter socialization through instructional practices in higher education The approach to studying sex role socialization varies by perspective and methodology and conclusions are interpreted in diverse ways but the results have been very similar and the research in this volume shows that the socialization of males and females continues to reinforce male dominance despite women s advancement toward equal status in society This work is of interest in the fields of sociology psychology anthropology and women s studies as well as communication
