

The book cover features a detailed illustration of a dragon in the upper left, a dragon-headed creature in the center, and a woman in armor in the lower left. The background is a mix of green, yellow, and orange, suggesting a landscape or sky. The title 'DRAGONIAN MEASURES' is written in a large, stylized font, and 'Kang's Regiment' is written below it in a smaller, gothic font. The authors' names 'DON PERRIN with MARGARET WEIS' are at the bottom.

**Feminisms** Robyn R. Warhol, Diane Price Herndl, 1997 In the landmark 1991 edition of *Feminisms* Robyn Warhol and Diane Price Herndl assembled the most comprehensive collection of American and British feminist literary criticism ever to be published In this revised edition the editors have updated the volume in keeping with the expanded parameters of feminist literary discourse With the inclusion of more than two dozen new essays along with a major reorganization of the sections in which they appear Warhol and Price Herndl have again established the measure for representing the latest developments in the field of feminist literary theory Believing that the feminist movement can only move forward where difference commands attention not dismissal or negativism they have continued the original collection's mission of providing a multiplicity of perspectives and approaches This anthology contains three new sections Conflict Gaze and Practice and includes more selections by and about women of color and lesbians Aimed at academics and the general public alike this collection is an indispensable guide to the range of practice on campus today in the field of feminist literary criticism *Changing Subjects* Gayle Greene, Coppélia Kahn, 2012-08-21 These twenty autobiographical essays by eminent feminist literary critics explore the process by which women scholars became feminist scholars articulating the connections between the personal and political in their lives and work They describe the experiences that radicalised women within academia and without as students professors scholars political activists women From these diverse histories a collective history emerges of the development of feminism as an intellectual and social movement as a heuristic tool as the redefinition of knowledge and power This book presents a history of the field through the eyes of those who have created it Offering a spectrum of experiences and critical positions that engage with current debates in feminism it will be valuable to teachers and students of feminist theory women's studies and the history of the women's movement It will interest female writers and scholars in all disciplines and anyone who cares about feminism and its future **Feminisms Redux** Diane Price Herndl, 2009

**Garner's Modern English Usage** Bryan Garner, 2016-03-11 With more than a thousand new entries and more than 2 300 word frequency ratios the magisterial fourth edition of this book now renamed *Garner's Modern English Usage* GMEU reflects usage lexicography at its finest Garner explains the nuances of grammar and vocabulary with thoroughness finesse and wit He discourages whatever is slovenly pretentious or pedantic GMEU is the liveliest and most compulsively readable reference work for writers of our time It delights while providing instruction on skillful persuasive and vivid writing Garner liberates English from two extremes both from the hidebound purists who mistakenly believe that split infinitives and sentence ending prepositions are malfeasances and from the linguistic relativists who believe that whatever people say or write must necessarily be accepted The judgments here are backed up not just by a lifetime of study but also by an empirical grounding in the largest linguistic corpus ever available In this fourth edition Garner has made extensive use of corpus linguistics to include ratios of standard terms as compared against variants in modern print sources No other resource

provides as comprehensive reliable and empirical a guide to current English usage For all concerned with writing and editing GMEU will prove invaluable as a desk reference Garner illustrates with actual examples cited with chapter and verse all the linguistic blunders that modern writers and speakers are prone to whether in word choice syntax phrasing punctuation or pronunciation No matter how knowledgeable you may already be you re sure to learn from every single page of this book

**Origins of Narrative** Stephen Prickett,1996-03-14 During the late eighteenth century the Bible underwent a shift in interpretation so radical as to make it virtually a different book from what it had been a hundred years earlier Even as its text was being revealed as neither stable nor original the new notion of the Bible as a cultural artefact became a paradigm for all literature In *Origins of Narrative* one of the world s leading scholars in biblical interpretation criticism and theory describes how while formal religion declined the prestige of the Bible as a literary and aesthetic model rose to new heights not merely was English German and French Romanticism steeped in biblical references of a new kind but hermeneutics and increasingly theories of literature and criticism were biblically derived Professor Prickett reveals how the Romantic Bible became simultaneously a novel like narrative work an on going site of re interpretation and an all embracing literary form giving meaning to all other writing

**Translation and Nation** Roger Ellis,Liz Oakley-Brown,2001 This text focuses on the construction of Englishness through vernacular translations It suggests ways of looking at the questioning of the English subject through texts that engage with translation in differing ways *The West Bank Handbook* Meron Benvenisti,Ziad

Abu-Zayad,Danny Rubinstein,Danny Rubenstein,2019-07-23 This book discusses social institutional legal cultural and political topics relating to the West Bank to demystify the treatment of the highly contentious subject It is based on the author s experience of what people want to know when they approach the West Bank Data Project for information *The*

*General's General* Kenneth Ray Young,2019-07-11 General Arthur MacArthur s extraordinary life spans the history of the United States from the Civil War through the Indian Wars to the Spanish American War and the heyday of American imperialism in the Philippines And in a sense as the father of Douglas MacArthur his influence extends well into our own century *The General's General* is the first biography of Arthur MacArthur and it clearly establishes his importance in American history Arthur MacArthur s military career began as a scrawny seventeen year old lieutenant his commission owed not to any evidence of his ability but to family connections His squeaky voice barely audible on the parade field combined with an adolescent conception of proper military bearing to make the young officer an object of ridicule But MacArthur overcame this bad start and went on to become a bona fide Civil War hero The youngest regimental commander of the war he led his troops with distinction in battle and became one of the very first officers to be awarded the congressional Medal of Honor In the 1870s MacArthur served in forts in the West during the Indian Wars married Pinky Hardy and started a family He next commanded a division in the Philippines during the Spanish American War MacArthur went on to become the governor general of the Philippines the most imperial post in that blatantly imperialistic period of American history His blunt

opposition to aspects of Washington's colonial policy in the Philippines led to a series of conflicts with Taft McKinley and other civilian authorities. After his return to the United States in 1907 these same leaders blocked MacArthur's appointment as chief of staff of the army. Instead an embittered MacArthur was forced to retire. The MacArthur family including Douglas never forgave the powerful men who had thwarted Arthur in his greatest ambition and denied him his place in history. After one of the most distinguished careers in the history of the U S Army Arthur MacArthur died in relative obscurity while delivering a speech at the fiftieth reunion of his original Civil War regiment. A man whose whole life had been soldiering left instructions forbidding a military funeral and asking to be buried in civilian clothes rather than in the uniform he had worn so proudly from the age of seventeen. MacArthur died too soon to witness the military exploits of his famous son. But there can be no doubt that Arthur made a profound impression on Douglas who regarded the general with awe and spent much of his own life following in his father's footsteps. Arthur MacArthur had spent his life striving to be a soldier's soldier in the end it can be truly said that he was the general's general.
