

# Draw CONCLUSIONS

Readers draw conclusions by piecing together inferences made while reading to come up with a bigger understanding.

**Inferences**

**Conclusion**

- Readers use their background knowledge, along with clues from the text to make many inferences while reading.
- They take multiple clues and inferences made while reading in order to draw conclusions.
- Conclusions that readers can come to are judgements about the characters, setting, or events in a story.

**EXAMPLE:**

**Inferences**

I think Ani is caring when she brings her friend work she missed while she was sick.

+ I think Ani is trustworthy when she keeps Leslie's secret.

+ My guess is that if any of Ani's friends needed her she would be there to help.

**Conclusion**

These events and inferences make me think Ani must be a really loyal friend.
