Common Core Standards Kindergarten – Mathematics	Draft Proposed PreK Math Common Core Standard	MA Guidelines for Preschool Experiences – Math • Examples of Activities
Counting and Cardinality Know number names and the count sequence 1. Count to 100 by ones and by tens.	Counting and Cardinality MA.PK.CC.1 Listen to and say the names of numbers in meaningful contexts.	Number Sense 1. Listen to and say the names of numbers in meaningful contexts. • Play games and listen to stories and poems that contain numbers and counting sequences. • Count concrete objects for a meaningful purpose (e.g. three crackers for snack, two eyes to glue on the bunny, three steps down to the playground).
2. Count forward beginning from a given number within the known sequence (instead of having to begin at 1).	No developmentally appropriate preschool standard.	NA
3. Write numbers from 0 to 20. Represent a number of objects with a written numeral 0-20 (with 0 representing a count of no objects).	MA.PK.CC.2 Recognize and name the numerals 0-10.	NA
Count to tell the number of objects 4. Understand the relationship between numbers and quantities; connect counting to cardinality. a. When counting objects, say the number names in the standard order, pairing each object with one and only one number name and each number name with one and only one object. b. Understand that the last number name said tells the number of objects counted. The number of objects is the same regardless of their arrangement or the order in which they were counted. c. Understand that each successive number name refers to a quantity that is one larger.	MA.PK.CC.3 Understand the relationship between numerals and quantities. MA.PK.CC.4 - proposed standard removed	2. Connect many kinds/quantities of concrete objects and actions to numbers. • Arrange and count a variety of different kinds of objects to explore the consistency of quantities (e.g. to build understanding of what “3” looks like, whether you are counting blocks, beads, or pinecones).
5. Count to answer “how many?” questions about as many as 20 things arranged in a line, a rectangular array, or a circle, or as many as 10 things in a scattered configuration; given a number from 1–20, count out that many objects.	MA.PK.CC.5 Count many kinds of concrete objects and actions up to ten, using one-to-one correspondence, and accurately count as many as 7 things in a scattered configuration.	2. Connect many kinds/quantities of concrete objects and actions to numbers. • Use concrete objects, actions, or drawings to represent quantities (e.g., jump two times, stack four unit blocks, string three beads, hold up two fingers, get three blocks on request.)

Common Core Document Guidelines

**United Nations. Committee on the
Rights of the Child**

Common Core Document Guidelines:

Common Core Document Forming Part of the Reports of States Parties ,2010 **The UN Convention on the Elimination of All Forms of Discrimination Against Women** Marsha A. Freeman,Christine Chinkin,Beate Rudolf,2012-01-26 This volume is the first comprehensive commentary on the Convention on the Elimination of All Forms of Discrimination against Women and its Optional Protocol The Convention is a key international human rights instrument and the only one exclusively addressed to women It has been described as the United Nations landmark treaty in the struggle for women s rights The Commentary describes the application of the Convention through the work of its monitoring body the Committee on the Elimination of Discrimination against Women It comprises detailed analyses of the Preamble and each article of the Convention and of the Optional Protocol It also includes a separate chapter on the cross cutting substantive issue of violence against women The sources relied on are the treaty language and the general recommendations concluding observations and case law under the Optional Protocol through which the Committee has interpreted and applied the Convention Each chapter is self contained but the Commentary is conceived of as an integral whole The book also includes an Introduction which provides an overview of the Convention and its embedding in the international law of human rights

Non-discrimination and Equality in the View of the UN Human Rights Treaty Bodies Wouter Vandenhoe,2005 As part of a larger research project on harmonisation and convergence among UN human rights treaty bodies scrutinises convergence and divergence communality and related issues Focuses on five Committees The Convention on the Elimination of All Forms of Racial Discrimination CERD the Human Rights Committee HRC the International Covenant on Economic Social and Cultural Rights CESCR the Convention on the Elimination of All forms of Discrimination Against Women CEDAW and the Convention on the Rights of the Child CRC **International Human Rights Law** Olivier De Schutter,2019-09-12 Fully updated to cover topics such as climate change trade and business activities while retaining the original style and structure

Economic, Social and Cultural Rights in International Law Manisuli Ssenyonjo,2009-07-03 The effective promotion protection and fulfilment of economic social and cultural ESC rights is an important but under explored component of international human rights law of which ESC rights form an essential part They are fundamental to the dignity of every person At the international level ESC rights are protected in several international instruments the most comprehensive being the International Covenant on Economic Social and Cultural Rights the Covenant ratified by a majority of States However claims of violations of ESC rights are treated less seriously This book subjects ESC rights protected in the Covenant to a deeper analysis in light of the practice of the Committee on Economic Social and Cultural Rights while taking into account other relevant sources of ESC rights at national regional and international levels It also analyses key issues relevant to ESC rights with particular emphasis on various themes including State obligations non State actor s obligations women s ESC rights domestic protection of ESC rights and State reservations to ESC rights The book further makes a thorough

examination of the rights to work health and education By so doing it demonstrates that ESC rights are justiciable and must not be marginalised The book also brings together a collection of essential materials on ESC rights needed to understand and analyse the subject Written by an international human rights scholar this timely work will be of value to all those interested in human rights and international law *Human Rights in Crisis* Alice Bullard,2017-05-15 This volume expands our understanding of the pursuit of human rights during the era of the War on Terror The threat to human rights both in the United States and among detainees in US governed detention facilities created a widely perceived crisis in human rights This text explores the broad and complicated ramifications of crisis by looking comparatively at societies in the present era and looking back at the historical and legal foundations of human rights Human Rights in Crisis contains an element of hope derived from a conviction that the pursuit of human rights happens on many fronts and in many ways around the globe that a retreat from human rights in the United States does not necessarily signal a global retreat The essays here include perspectives from History Anthropology and Legal Studies with a resulting interdisciplinary portrait of the complexities of pursuing human rights in wartime *Migration and Human Rights* Ryszard Cholewinski,Paul F. A. Guchteneire,Antoine Pecoud,2009-11-26 Provides an overview of the UN Convention on Migrant Workers Rights including its history content and implementation *Australia and Human Rights* Caroline Fleay,2020-05-22 The Howard government s term in office in Australia from 1996 to 2007 is often portrayed as one where Australia retreated from its international human rights obligations Throughout this era a range of government policies attracted much criticism for downplaying or ignoring human rights Less attention has been given to the human rights policies of previous Australian governments and the heritage they provided for the Howard government Situating the policies of the Howard government within those of previous Australian governments provides a greater understanding of human rights in Australia This book examines human rights policies in Australia in three key areas human rights in Australia China relations responses to asylum seekers and refugees and engagement with human rights at the United Nations These areas highlight where the Howard government clearly deviated from some of the more positive human rights policies of its predecessors The book also challenges the perception that Australia has a proud history of human rights policy by revealing where the Howard government continued or revived policies of earlier Australian governments that were not consistent with international human rights standards Such an understanding of human rights in Australian policy is imperative for informed analysis and debate on current and future policy trends **Official Records** ,2011 Report of the Committee on the Elimination of Discrimination Against Women United Nations,United Nations. Committee on the Elimination of Discrimination Against Women,2008 OFFICIAL RECORDS **Report on the Working Methods of the Human Rights Treaty Bodies Relating to the State Party Reporting Process** ,2010 *Harmonized Guidelines on Reporting Under the International Human Rights Treaties, Including Guidelines on a Common Core Document and Treay-specific Targeted Documents* ,2005 Ways and Means of Expediting

Report of the Committee Against Torture United Nations. Committee against Torture, 2007 **Annual Review of United Nations Affairs 2009/2010 VOLUME II** Joachim Muller, Karl P. Sauvant, 2011-04-15 a The set generally Since the publication of its first edition in 1950 the Annual Review of United Nations Affairs has stood as the authoritative resource for scholars students and practitioners researching the latest developments of that august body From the insightful introduction prepared each year by a distinguished expert on UN affairs to the full text presentation of reports and resolutions and the helpful subject index ARUNA provides a practical tour of each year's UN actions and debates The expert selection of documents by Joachim Muller and Karl Sauvant and the topic based organization of those documents make any researcher's task much easier than the vast searching sorting and pruning required by the UN's website The series topic based organization of the materials and subject index lend invaluable guidance to all researchers ARUNA presents comprehensive documentation of the work of the UN on an annual basis starting in September of each year with the beginning of the regular sessions of the General Assembly Coverage of the UN's key organs is provided including the General Assembly the Security Council the Economic and Social Council ECOSOC the International Court of Justice and the UN Secretariat In addition selected reports of intergovernmental bodies and expert groups are included Solely official UN documentation is used ARUNA occupies a special place in the publications on the work of the UN as it allows readers to obtain an overview of the principal developments in its key organs This makes it an important reference source for policy makers and academic researchers b The 2009 2010 volumes This year's edition continues to focus on the world financial crisis and the reaction of the United Nations and the international financial system to that crisis The Overview to this year's edition written by Joachim Muller and Karl Sauvant examines the changing role of the United Nations and explores ways in which the management of the financial crisis has impacted that role The Introduction to this year's edition also examines the effects of this crisis this Introduction is drawn from the Report of the Commission of Experts of the President of the United Nations General Assembly on Reforms of the International Monetary and Financial System as well as a slightly edited version of a Preface to that report written by Professor Joseph E Stiglitz The Introduction discusses the findings of the Commission and proposes the creation of a new institution a Global Economic Coordination Council which would be supported by an International Panel of Experts with a geographically diverse membership that would represent the interests of emerging and developing countries as well as those of developed countries Dr Joseph E Stiglitz who served as Chairman of the Commission and wrote the Preface to the

Commissioner's Report holds joint professorships at Columbia University's Economics Department and its Business School. He is also Co-founder and Co-President of the Initiative for Policy Dialogue. From 1997 to 2000 he was the World Bank's Senior Vice President for Development Economics and Chief Economist. From 1995 to 1997 he served as Chairman of the U.S. Council of Economic Advisers and as a member of President Clinton's cabinet. From 1993 to 1995 he was a member of the Council of Economic Advisers. He was previously a professor of economics at Stanford, Princeton, Yale, and All Souls College. Dr. Stiglitz is also a leading scholar of the economics of the public sector and was awarded the Nobel Prize in Economics in 2001, in addition to the American Economic Association's biennial John Bates Clark Award in 1979. His recent publications include *Freefall: America, Free Markets, and the Sinking of the World Economy* (2010), *Making Globalization Work* (2006), *Fair Trade for All* (2005), and *Globalization and its Discontents* (2002). The 2009-2010 volumes of ARUNA therefore also devote considerable attention to the financial crisis as well as other international crises. Among the documents in the 2009-2010 volumes are the complete General Assembly resolutions as well as the Report and Resolutions of the Security Council and the Economic and Social Council. ECOSOC Annual Reports of note include reports of the United Nations Children's Fund (UNICEF), the UN Development Programme, and UN Population Fund, the UN High Commissioner for Human Rights, the UN High Commissioner for Refugees, the UN Relief and Works Agency for Palestine Refugees in the Near East, and the World Food Programme. Mr. Muller and Dr. Sauvage have also selected progress reports on key peacekeeping, peace building, and political missions including those for Afghanistan, the Democratic Republic of the Congo, Haiti, Iraq, the Middle East, Sudan, and West Africa.

Volume II of this volume contains the following:

Chapter 1: General Assembly Sixty-fourth Session continued

3. Resolutions Adopted by the General Assembly at Its Sixty-fourth Session continued

Resolutions 64/104 through 64/199

d. Guest Authors of previous years' editions

Each annual edition of ARUNA is introduced by a Guest Author, a distinguished expert on UN affairs who highlights the outstanding themes of the year in review. Together with an overview provided by the editors, this introduction is intended to facilitate access to the material and, above all, to make it easier for users of ARUNA to see the forest for the trees. This year's ARUNA includes excerpts from the Report of the Commission of Experts of the President of the United Nations General Assembly on Reforms of the International Monetary and Financial System (21 Sept. 2009) and from a slightly edited version of a Preface to that report written by Professor Joseph E. Stiglitz. However, the roster of distinguished experts who have contributed this introduction in the past is also worthy of mention.

Jose Antonio Ocampo

ARUNA 2008-2009 edition

Professor Jose Antonio Ocampo is Co-President of the Initiative for Policy Dialogue. He is also Professor in the School of International and Public Affairs and Fellow of the Committee on Global Thought at Columbia University. Professor Ocampo previously held the positions of Under-Secretary General of the United Nations for Economic and Social Affairs, Executive Secretary of the United Nations Economic Commission for Latin America and the Caribbean, and Minister of Finance, Agriculture, and Planning of Colombia. In 2009 he was a member of the Commission of Experts of the

President of the United Nations General Assembly on Reforms of the International Monetary and Financial System Professor Ocampo is also the author of numerous books and articles on macroeconomics policy and theory economic development international trade and economic history His recent publications include Stability with Growth Macroeconomics Liberalization and Development with Joseph E Stiglitz Shari Spiegel Ricardo Ffrench Davis and Deepak Nayyar New York Oxford University Press 2006 Jeffrey D Sachs ARUNA 2007 2008 edition Professor Jeffrey D Sachs is Director of the Earth Institute at Columbia University and Special Advisor to the Secretary General of the UN on the Millennium Development Goals Professor Sachs s introduction to ARUNA 2007 2008 was titled Towards a New Global Protocol on Climate Change in which he argued that solving the climate change problem will demand four steps scientific consensus public awareness the development of alternative technologies and a global framework for action He dealt in particular with the science underpinning the negotiations for a new global protocol on climate change as a successor to the Kyoto Protocol Professor Sachs argued that climate change crises can only be solved through the goals leadership and treaty mechanisms of the UN Edward C Luck ARUNA 2006 2007 edition Professor Edward C Luck is UN Special Advisor on the Responsibility to Protect and Vice President and Director of Studies at the International Peace Academy From 1984 to 1994 he served as President and Chief Executive Officer of the UN Association of the USA UNA USA Professor Luck s introduction to ARUNA 2006 2007 covered The responsible sovereign and the responsibility to protect in which he addressed the scope and content of what was agreed at the 2005 World Summit the implications of the responsibility to protect RtoP for notions of state sovereignty and some of the conceptual architectural and policy challenges then facing UN Secretary General Ban Ki moon s commitment to operationalizing the responsibility to protect and translating it from words to deeds Louise Frechette ARUNA 2005 2006 edition Ms Louise Frechette is Distinguished Fellow at the Centre for International Governance Innovation Waterloo Ontario Until March 2006 she was the first Deputy Secretary General of the UN before that she was Permanent Representative of Canada to the UN Ms Frechette s introduction to ARUNA 2005 2006 covered United Nations reform an unfinished story As the first Deputy Secretary General of the UN Ms Frechette was uniquely positioned to undertake a personal assessment of what has changed and what has not changed in the past decade at the UN and why She examined if the UN is functioning better than it was 15 years ago why reform is so difficult to achieve and what the future holds for the institutions Rubens Ricupero ARUNA 2004 2005 edition Mr Rubens Ricupero is Dean of the Fundacno Armando Alvares Penteado FAAP Sao Paulo and was formerly Secretary General of UN Conference on Trade and Development UNCTAD and Minister of Finance of Brazil Mr Ricupero s introduction to ARUNA 2004 2005 covered The difficulty of building consensus in an age of extremes and examined the mysteries of the negotiating process leading to the outcome of the 2005 World Summit Rather than a Grand Bargain of a comprehensive UN reform in the areas of development security and human rights it is argued that the Summit ended more on a note of lamentation and regret over a missed opportunity Mr Ricupero concludes that contrary to

the daring proclamation at the outset by the Secretary General the conditions indispensable to succeed were not in place. Indeed it was hard to imagine that an ambitious and balanced reform package for the UN could have had any real chance of succeeding.
