Community Literacy Journal 8 2 Spring 2014:

The Community College Library Janet Pinkley, Kaela Casey, 2022-04-13 Community colleges are a cornerstone of higher education and serve the unique needs of the communities in which they reside In 2019 community colleges accounted for 41 percent of all undergraduate students in the United States Community college librarians are engaged in meaningful work designing and delivering library programs and services that meet the needs of their diverse populations and support student learning The Community College Library series is meant to lift the voices of community college librarians and highlight their creativity tenacity and commitment to students The Community College Library Reference and Instruction collects research programs and new approaches to reference and instruction implemented by community college librarians around the U S Chapters include sample activities and materials and cover topics including using race centered and trauma informed practices in the reference interview incorporating online workshops into an existing information literacy program and using student driven pedagogy to navigate the early stages of research This book demonstrates the innovative and replicable ways community college librarians are meeting the information and research needs of their college population both in person and remotely all while providing a safe inclusive space for students to explore and learn **Community Practice and Urban Youth** Melvin Delgado, 2015-10-30 Community Practice and Urban Youth is for graduate level students in fields that offer youth studies and community practice courses Practitioners in these fields too will find the book particularly useful in furthering the integration of social justice as a conceptual and philosophical foundation The use of food environmental justice and immigrant rights and the book's focus on service learning and civic engagement involving these three topics offers an innovative approach for courses The Power of Story Joan Wink Ph.D., 2017-11-07 Through this book readers will discover that stories can move the human heart and head in ways that research cannot Stories bring together readers writers librarians teachers students and families in the libraries of today and will continue to do so tomorrow Written for all those lovers of literacy this book links libraries and literacies through the power of stories The book is not filled with data in the form of pie charts graphs and tables Rather the truth of the research is grounded in authentic stories that reflect not only the interpretation of data but also the transformative nature of literacies and libraries The author's primary goal is that readers will come to value and use storytelling in their own professional and personal lives to explain and expand on complex concepts and to make information more accessible for all The book begins by presenting anecdotes and the author's personal story to lay the foundation for what literacies are and what literacy is not An activity Spiral of Literacy allows readers to reflect on their own literacies Chapters that follow each begin with a story that sets the theoretical foundation Each chapter concludes with an action section that demonstrates how to turn theory to practice whether you are in a library a classroom or at home A final chapter envisions what libraries might look like in 10 years through interviews with librarians teachers and others interested in literacy **Engaging the Age of Jane Austen** Bridget Draxler, Danielle Spratt, 2019-01-03 Humanities

scholars in general often have a difficult time explaining to others why their work matters and eighteenth century literary scholars are certainly no exception To help remedy this problem literary scholars Bridget Draxler and Danielle Spratt offer this collection of essays to defend the field's relevance and demonstrate its ability to help us better understand current events from the proliferation of media to ongoing social justice battles The result is a book that offers a range of approaches to engaging with undergraduates non professionals and broader publics into an appreciation of eighteenth century literature Essays draw on innovative projects ranging from a Jane Austen reading group held at the public library to students working with an archive to digitize an overlooked writer's novel Reminding us that the eighteenth century was an exhilarating age of lively political culture marked by the rise of libraries and museums the explosion of the press and other platforms for public intellectual debates Draxler and Spratt provide a book that will not only be useful to eighteenth century scholars but can also serve as a model for other periods as well This book will appeal to librarians archivists museum directors scholars and others interested in digital humanities in the public life Contributors Gabriela Almendarez Jessica Bybee Nora Chatchoomsai Gillian Dow Bridget Draxler Joan Gillespie Larisa Good Elizabeth K Goodhue Susan Celia Greenfield Liz Grumbach Kellen Hinrichsen Ellen Jarosz Hannah Jorgenson John C Keller Naz Keynejad Stephen Kutay Chuck Lewis Nicole Linton Devoney Looser Whitney Mannies Ai Miller Tiffany Ouellette Carol Parrish Paul Schuytema David Spadafora Danielle Spratt Anne McKee Stapleton Jessica Stewart Colleen Tripp Susan Twomey Nikki JD White Amy Weldon
