Balthasar, 2014-11-20 This book is perhaps one of the most misunderstood works of Catholic theology of our time Critics contend that von Balthasar espouses universalism the idea that all men will certainly be saved Yet as von Balthasar insists damnation is a real possibility for anyone Indeed he explores the nature of damnation with sobering clarity At the same time he contends that a deep understanding of God's merciful love and human freedom and a careful reading of the Catholic tradition point to the possibility not the certainty that in the end all men will accept the salvation Christ won for all For this all embracing salvation von Balthasar says we may dare hope we must pray and with God's help we must work The Catholic Church's teaching on hell has been generally neglected by theologians with the notable exception of von Balthasar He grounds his reflections clearly in Sacred Scripture and Catholic teaching While the Church asserts that certain individuals are in heaven the saints she never declares a specific individual to be in hell In fact the Church hopes that in their final moments of life even the greatest sinners would have repented of their terrible sins and be saved Sacred Scripture states God desires all men to be saved and to come to the knowledge of the truth For there is one God and there is one mediator between God and man the man Christ Jesus who gave himself as a ransom for all 1 Tim 2:4-5 *The Happiness Dare*
