Reviews: A real pleasure using the book 27th May 2003 Reviewer Chris Clarke: I have purchased many books on Access in an attempt to learn as much as I can about what I consider to be a fantastic piece of software and I have to say that your book *Successful ICT Projects in Access 3rd Edition* was one of the easiest and most comprehensive books on the topic that I have come across. It has been a real pleasure using the book and my ability to program has increased beyond my wildest expectations. Thank you. Excellent. I found it clear, concise, realistically priced and is helping correct my deficient knowledge immensely. 20th February 2003 Reviewer Dr Geoff Fowler: Technical Director Oilfield Consultancy.
