## **Community Guide Uga Oasisstudent:**

*Through the Arch* Larry Dendy, 2013-09-15 *Through the Arch* captures UGA's colorful past, dynamic present, and promising future in a novel way by surveying its buildings, structures, and spaces. These physical features are the university's most visible and some of its most valuable resources. Yet they are largely overlooked or treated only passingly in histories and standard publications about UGA. Through text and photographs, this book places buildings and spaces in the context of UGA's development over more than 225 years. After opening with a brief historical overview of the university, the book profiles over 140 buildings, landmarks, and spaces, their history, appearance, and past and current usage, as well as their namesake, beginning with the oldest structures on North Campus and progressing to the newest facilities on South and East Campus and the emerging Northwest Quadrant. Many profiles are supplemented with sidebars relating traditions, lore, facts, or alumni recollections associated with buildings and spaces. More than just landmarks or static elements of infrastructure, buildings and spaces embody the university's values, cultural heritage, and educational purpose. These facilities, many more than a century old, are where students learn, explore, and grow, and where faculty teach, research, and create. They harbor the university's history and traditions, protect its treasures, and hold memories for alumni. The repository for books, documents, artifacts, and tools that contain and convey much of the accumulated knowledge and wisdom of human existence, these structures are the legacy of generations. And they are tangible symbols of UGA's commitment to improve our world through education. Guide includes 113 color photos throughout, 19 black and white historical photos. Over 140 profiles of buildings, landmarks, and spaces. Supplemental sidebars with traditions, lore, facts, and alumni anecdotes. 6 maps. *University Housing Community Guide 2020-2021*, 2020. This guidebook will serve as a guide and will help you to get the most out of campus living. It covers the basics of community living, like how to get along with a roommate and other residents, how to take advantage of the services provided, and of course the do's and don'ts for campus living. *Through the Arch* Larry B.
