author's companion website for more information and extra materials Whether they have full governance powers or are just
there in an advisory capacity trustees on library boards need to understand the complex issues that affect a library's ability
to provide its community with materials and services that support lifelong learning jobs and quality of life Authors Ellen G
Miller and Patricia H Fisher have created a strategic guide that will help library board leaders handle important issues such
as managing risk local values and first amendment rights leadership capable of achieving the library's ideal vision getting
and growing diverse funding sources and becoming part of the community's leadership team These issues are discussed in
laymen's terms designed for busy trustees and directors who have only a few hours per month together to consider options
and make decisions Library Board Strategic Guide Going to the Next Level seeks to help trustees and their directors in three
broad areas understanding complex issues and their local impact assessing the trustee's role in addressing those issues and
reviewing experiences and best practices from other libraries With many other uses including use as a tool for board meeting
discussions for self study or as a benchmark for assessing your board's performance this guide will help your library leaders
