

PUBLICATION TIMELINE

Understanding the workflow
is the best way to enjoy the ride

Building a book from manuscript to polished product is a many-stepped process. Taking it one step at a time—being careful not to try to skip ahead—is the best way to ensure everything is completed smoothly, and with the most satisfying results.

Manuscript Stages

EDITORIAL

Begins 1-2 weeks after project start, and happens at your pace

Work with your editor through two meetings, and when your manuscript is finished, you return it to us to send to the next step

PROOFREADING

2-3 week turnaround

While this is in progress, work on teaser text, bio, etc.

After you receive the results, you review and return to us your "final authoritative version"

LAYOUT DESIGN

2-3 week turnaround to first design draft

Work with layout team to refine and perfect your book interior

You'll also have a big ebook/audiobook/website strategy call

Publishing Stages

FIRST PRINT COPY!

3-4 week turnaround while printer reviews your files, and prints and ships your book to you

While this is in progress, closely read the Book Promotional Guide, and we'll gather information from you on your book publication goals

PUBLICITY STRATEGY

Begins 1-2 weeks after your print book arrives

We have a promotional strategy call with you, and we help you develop a plan and put it into action

This is also when the pricing and release date of your book is finalized

BOOK LAUNCH!

Ideally, 3-6 months post-print approval

A longer lead time ensures better planning and also mitigates potential problems in the distribution chain

Also, in this period we'll loop you in with other Atmosphere authors!

Cover Stages

DISCOVERY

Begins immediately

We gather essential aesthetic information from you to help us choose the right designer to build your cover

FRONT COVER

Samples received 2-4 weeks after editorial stage is complete

You choose your favorite design approach and we refine it for you

FULL COVER

Received 1-2 weeks after interior layout is finalized, as only then do we know dimensions and spine width

You approve your final design

WE ARE YOUR TEAM

From your editor to your cover designer to your proofreader to the person who uploads your book into the distribution chain, Atmosphere Press will be working hard to make this not just any publishing experience, but the best publishing experience.

Average time from project start to first print copy in hand is 3-5 months.
Being part of the Atmosphere Press family lasts forever.
