

# Essential Guide: How to Design your Book Cover?

# Cover Design Guide

**John Monyjok Maluth**

## Cover Design Guide:

**Book Cover Design Formula** Anita Nipane, 2018-12-31 A comprehensive do it yourself guide to creating book cover design for indie and self published authors You too can create excellent book covers and apply the same techniques that graphic designers use If you are a self publishing author and are starting out on a very low budget a homemade DIY book cover is a practical solution Unless you make an appalling one it won't hurt your sales And after reading this book it shouldn't be the case because you will know exactly how to create a book cover design that attracts readers Actually the same principles apply to designing other visuals too Not only book covers Therefore you will be able to improve your designer skills in general Read this book and learn a simple system for creating a book cover design that you will be proud of 6 easy to use book cover design concepts that work for every genre 6 book cover design secrets every designer use to create book covers that pop out where to get hundreds of free typefaces for every genre and how to pair them what formatting to use not to look amateurish simple rules for figuring out the best colors for your book cover where to find thousands of good quality free or low cost royalty free images and how to understand their copyright terms how to make sure that nobody else is using your cover art a simple method for overcoming your creative block 5 easy techniques to test if your book cover works for your target audience how to choose the right book cover size and image resolution what free software or apps to use for creating your book cover design and many other practical tricks and tips It doesn't matter if you are not familiar with basic graphic design principles color theory typeface pairing composition and other principles because I'm going to give you guidelines and show practical examples and techniques how to apply them in practice Moreover you can return to this book at any time that is convenient to you and read it in any order that suits your needs best You have spent a lot of time on writing your book Don't let all this hard work go down the drain by using a poorly designed book cover because it can be one of the most powerful tools for selling your book Buy this book and learn how to create professionally looking book cover that sell and you will be proud of

**The Author's Guide to Cover Design** Stuart C Bache, 2018-06-25 In *The Author's Guide to Cover Design* Stuart Bache shares ways of making your cover look like a bestseller teaches the design principles behind concept creation and gives you plenty of tips tricks and advice to give your book the best first impression possible With this guide you will learn how to get the most out of your book cover From writing the perfect brief and why familiarity theory is so important to creating ideas yourself and preparing your files for ebook and paperback This book is not only a guide to cover design it is an essential tool in your journey to becoming a successful author

[The Graphic Designer's Guide to Portfolio Design](#) Debbie Rose Myers, 2013-10-21 Landing a job in graphic design or multimedia starts with the creation of a portfolio that showcases a student's best work With sample portfolios interviews with leaders in graphic design and advertising industries and step by step instruction for creating professional print and digital portfolios this book helps students successfully transition from design student to design professional Now fully updated it is the only guide to creating job winning print based and digital

portfolios specifically for graphic designers      Self-Publishing Keith Loehlein,2021-07-23 An author at a bookstore is bound to be impressed by the amount of creative energy in all of the book covers and overwhelmed as to how her own is going to stand out One way or another it s going to have to It s common knowledge by now that readers shop with their eyes They look for familiarity but simultaneously yearn for surprise for something new and refreshing They want a book they can be proud to hold on the subway or read on their e reader So many books are published each year a good book design must communicate that the pages within are worth a reader s time and attention Your book cover is essential to book sales Instagram Pinterest Facebook today more than ever visuals are paramount You have mere seconds to capture readers attention as they scroll through book sites Your cover needs to engage them enough to click on it read about your amazing book and hit the BUY button Even if you know nothing about art and design or fonts and colors this self publishing guide makes it easy to create a covetable cover that pulls people in and catches their interest      **Design a Book Cover** Tim Shaker,2019-02-08 Are you sick of outsourcing book covers or investing in expensive designers or artists Do you want full control and do you want your cover fast Then take a look at this book which will guide you through the steps of designing your own book covers within a small time period The more you do it the faster you get at it However with this information you ll learn all the quick keys and tools that are most important for a shining stunning book cover You ll read about tips and tricks to enhance your Photoshop book covers to make them look professional You will learn about the brush pencil and selection tools transforming images creating text adding fonts and much more Moreover in the back I will show you a link where you can get the program for free So don t wait and start saving yourself money by learning more about how to design your own book covers      **Process Steam Systems: A Practical Guide for Operators, Maintainers, Designers, and Educators** Carey Merritt,2022-10-11 Process Steam Systems A comprehensive and accessible handbook for process steam systems The revised second edition of Process Steam Systems A Practical Guide for Operators Maintainers Designers and Educators delivers a practical guide to ensuring steam systems are properly and efficiently designed operated and maintained The book provides comprehensive information designed to improve process steam system knowledge reliability and integration into current manufacturing processes The most up to date version of this volume includes brand new coverage of current codes sustainability measures and updated applications Heat transfer theory and thermodynamics are tied into practical applications with new practice problems ideal for both professionals seeking to improve their skills and engineers in training Readers will also find Thorough design criteria for process steam systems complete with detailed illustrations for piping and controls An entirely new chapter on the history of steam systems including the evolution of the ASME code and boiler accidents Revised coverage of current NFPA ASME CSD 1 FM and building codes as well as new insurance requirements relevant to practitioners in the industry Expansive design guidance for steam system efficiency upgrades Perfect for operations and maintenance staff at manufacturing healthcare and commercial laundries Process Steam

Systems A Practical Guide for Operators Maintainers Designers and Educators will also earn a place in the libraries of consulting engineers and engineering students with an interest in process manufacturing      Urban Design Guidance Robert Cowan,2002-07-15 The publication of the Green Paper on Planning has magnified the significance of urban design frameworks development briefs and master plans Despite general recognition that making places socially economically and environmentally successful depends on high standards of urban design there is less understanding of how good design can be delivered The challenge is to influence the development process not only on high profile sites but wherever urban change is reshaping places      **Cover Your Book** R Haskell,2020-12-09 Struggling to find the right cover designer Learn how the right cover will make your book the best seller you ve always wanted Unsure how to find a good cover for your novel Do you wish there was an easy way to find the right designer and communicate your vision effectively Professional book cover designer and illustrator Rebekah Haskell has helped hundreds of authors gain attention to their work and more importantly sell more books Let her show you how to work with a designer to achieve the cover your book deserves Through a step by step explanation ranging from beginner to advance Cover your Book gives you the inside track on how to turn your vision into a cover that sells itself In this book you ll discover How to distill your story into a killer concept that will captivate readers Where to find the designer that is right for you and your story How to write the perfect cover brief to communicate your ideas effectively How to avoid common pitfalls that can cost you time and money Why where you go is as important as who you hire what to do when things go wrong and so much more Finally you won t have to guess about your cover You won t have to rely on others to tell you if your cover works You will know With the right designer the entire process becomes one of fun and discovery And in the end the right cover will lead to more sales and better reviews If you like detailed guides with tons of examples images and a touch of humor then you will love R Haskell s inside look at the design process that creates the cover you ve always imagined Buy Cover your Book today and start finding the right readers to buy your book      *Rand McNally Guide to New York City and Environs ...* ,1902      The Art and Craft of Cover Design Gene Stirm,2010-08 Learn how to create your own dazzling Book Cover with this Comprehensive Guide by Veteran Cover Designer Gene Stirm Every book deserves a great cover it is the number one marketing tool for Self Publishers      Using Microsoft Paint to Design Book Covers John Monyjok Maluth,2013-11-24 Microsoft Paint is a free tool found on most Windows operating systems But did you know that you can use Paint to create professional looking book covers Well you are welcome to the world of creativity God is creative so we are I will take you through few steps below on how to create a book cover with Paint both for eBook and paperback books but the creativity is 100% yours In this book you will explore the main features of Microsoft Paint and you will learn how to create your professional eBook and paperback covers with Paint      **Create, Distribute and Monetise Your Content From ANYWHERE to EVERYWHERE** Onyema Udeze,2022-04-06 No matter where you are and at what stage you are as a creative you can begin to make money from your content Distributing your content globally and selling

your digital products to a global audience is no more a dream but a reality in today's global economy. As a creative, your content can reach places you might never get to visit. Your content can build you into a global figure and make you money even while you sleep. It is possible to make a career out of content creation. You get to travel around the world and sell globally. Monetising your content and digital products can be quite complicated. You might have found yourself asking these questions: How do I know what people will be willing to pay for? On what platforms do I sell my products to maximise sales? How do I get paid on global international platforms? How do I compete with all the big names in the industry? How do I get good at selling? How do I successfully launch my products? Where do I start from? Monetisation is indeed complicated and that is because the internet is very competitive. This book is a comprehensive guide on how to Create, Distribute and Monetise your content from any part of the world to every part of the world so you can make a killing doing what you love. Be it E books, Online Courses, Podcasts or Written Content. This book is broken down into six parts. The first part paints a clear picture of why content is more relevant than ever today. The second part focuses on Ideating, Writing, Editing, Formatting, Publishing and Distributing E books. The third part focuses on Ideating, Creating, Recording, Producing, Distributing and Managing Online Courses. The fourth part focuses on Ideating, Recording, Producing and Distributing Podcasts. The fifth part focuses on Distributing and Monetising Written Content. The sixth part focuses on Content Promotion leveraging diverse Digital Marketing channels both Organic and Paid. An extra chapter deep dives into the process of setting up and managing personal websites without programming. The book provides a step by step guide on the right way to launch any digital product: E books, Online Courses, Podcasts and Written Content. It removes the complication around monetising your content. It will show you how best to come up with product ideas that people will be willing to pay for. It will show you how to get your products on all the global platforms easily and get paid on them. It will show you the process that goes into creating any form of a digital product. *The Angler's Guide* Charles Barker Bradford, 1906      **Visual Book** Kendrick Feuerstein, 2021-07-24

Do you know what makes a good book cover? You should if you ever want to maintain consistent sales of your book. The book cover exists to serve one and only ONE purpose. And that purpose is to sell your book. Everything else details. And the best way to start is by understanding that investing in a good book cover design and knowing what makes a good one. Knowing the basics is still really important even if you plan on hiring a professional cover designer. This book teaches you to analyze the genre you write in, discover what readers are buying and why, and how to nail the type of cover that will subconsciously appeal to a potential reader. You only have micro seconds to stand out from the crowd. Don't leave your book cover to chance. Deliver the kind of cover that will engage readers and give your book the best chance of success.      **Building Code**
