Pullman,2012-06-18 Ironically the U S Congress that initially imposed gift and estate taxation ALSO created alleviating rules allowing for Private Split Dollar strategies and other wealth preservation planning methods yet it seems as if the latter were implemented quietly and with a subtlety reserved for those with the diligence to look into the depths of the law to find them As a veteran advisor to some of the largest estates in the world I took it upon myself years ago to study the rules and look for opportunities which I believe were given to anyone with the will to seek and find As a veteran financial service professional I can tell you that such opportunities are meant to be used and this is because they promote wealth and the preservation of hard earned legacies as they should If you have any doubts as to your right to take advantage of Private Split Dollar strategies the IDGT and the rest you can put those doubts to rest knowing that for many years I have helped the corporate moguls superstar entertainers and titans of the sporting world use these very same methods to preserve their wealth Similarly for many decades and beyond great houses of wealth owned and controlled by the likes of the Rockefellers and Carnegies have employed experts like me to implement trust strategies not unlike the ones in this book **Tax Strategies** Emily Johnson,AI,2025-02-27 Tax Strategies offers a comprehensive guide to minimizing tax burdens and maximizing business profitability through effective tax planning It emphasizes that strategic tax management is not merely about compliance but is crucial for freeing up capital for business
