fees and you've got one of the most effective investing tools on the planet. Jumpstart Your Prosperity: Are you a novice investor who's just getting started? Maybe you want to help your kids save for retirement and become more financially literate. Best Roth provides the information and insight to jumpstart your prosperity and get you on the road to financial freedom. Roth investments enjoy tax-free earnings. The longer your time horizon for investment, the more you'll benefit from tax-free earnings. As the years go by, you'll add other pre-tax traditional investments to the mix, which will also add value to your investment plan. The trick is to integrate all of those tax-advantaged accounts into a single investment plan. Over the Income Limits for Contributing to a Roth IRA: Think you can't contribute to a Roth IRA because you're over the income limits? Think again. In fact, you may be able to fund your Roth IRA on a yearly basis well above the contribution limits. It's a little trick I like to call the Ole Roth IRA Switcheroo. It may sound a little sneaky and underhanded, but it's totally legit. You may be able to execute a switcheroo from your employer's retirement account, a traditional IRA, or both. I update this book every year so you're assured of receiving the most up-to-date tax and employer retirement plan information that will help keep you one step ahead of the pack. Best Roth Answers All of Your Roth Questions: As a financial educator at corporations, universities, and municipalities, I get asked all kinds of Roth-oriented questions. I take pride in explaining even the most complex issues in easy-to-understand language. Here's a sampling: Can I tap my Roth IRA before age 59½ without tax or penalty? My employer offers both a traditional and Roth option. Should I be making Roth or traditional contributions? Should I roll my old company plan into my present employer's plan or an IRA? My employer offers a Roth option. Why should I still invest in a Roth IRA? Are there any downsides to converting after-tax, non-Roth contributions to my Roth IRA from my company's plan or from a traditional IRA? I'm interested in converting money to a Roth IRA. How much tax will I owe, and when is the best time to do it? Max Out Tax-Advantaged Accounts: Start maximizing your earnings by adding Roth accounts to your investing lineup for retirement. Take control of your investing future. The best time to start is right now, by scrolling to the top of the page and clicking on the Add to Cart button.
