## **Study Guide**

Answer questions on a separate sheet of paper. Cite page numbers for support as needed.

The setting is Salem, Massachusetts, in the year 1692. Someone once said of the Puritans that they did not leave Europe because they were persecuted, but that they were thrown out of Europe because they persecuted everyone else. As you read the opening of Act I, **how do you suppose Miller would respond to that statement?**

### **Act I**

1. What purpose does the Overture serve? (answered for you)  
*Miller uses the first act to introduce not only the characters but also his comparison between the Puritans and 1950s America. He accomplishes both of these in his lengthy sidebars as characters come into Ruth's bedroom.*
2. What does the "sparseness" of the Puritan setting reveal about the lives of the townspeople of Salem?
3. What Puritan primary fear is apparent in the philosophy, "In unity still lay the best promise of safety"?
4. Explain the significance of the forest to the Puritans.
5. "So now they and their church found it necessary to deny any other sect its freedom, lest their New Jerusalem be defiled and corrupted by wrong and deceitful ideas."  
Explain the irony in the Puritans' pilgrimage to Salem to escape persecution.
6. To what twentieth century situation is Miller referring when he declares:  
"They believed, in short, that they held in their steady hands the candle that would light the world. We have inherited this belief, and it has helped and hurt us."
7. When Abigail enters, she is described as "a strikingly beautiful girl...with an endless capacity for dissembling." What does the phrase an "endless capacity for dissembling" suggest?
8. When Susanna exits, Abigail makes a confession to Parris, which she recants near the end of the Act. What is the confession, and why does she change her mind?
9. Based on his words, what seems to be Parris's motivation for inadvertently causing the hysteria?
