Csis Dimension Information Intelligence Missing Open Report Source:

The Power of Outreach Arnaud De Borchgrave, Thomas M. Sanderson, David Gordon, 2009 **Open Source Information** Arnaud De Borchgrave, Thomas M. Sanderson, John MacGaffin, 2006 **Inoculum** Archie Alafritz, 2020-08-12

Alec Alton is a member of an elite RCMP National Security team investigating a Pakistani drug trafficking organization. But when his suspects turn up dead, Alec joins up with a colleague, a highly specialized and skilled agent. Together they trace the drug trafficking to a terrorist financing network. As they follow the evidence and travel through Central Asia, they begin to suspect that a corrupt CIA agent had a hand in one of the worst atrocities in history. Their investigation finds them rogue agents travelling undercover through the Middle East. One by one they meet key informants, former members of the mujaheddin who each hold a piece of buried history. But they fear the CIA operative behind the rise of al Qaeda is after them. Running out of time, they must debrief a list of informants before the CIA operative gets to them. Together they hunt for the elusive Purple Book, thought long destroyed during the raid on Osama bin Laden's compound in Abbottabad. **Inoculum** explores themes of terrorism, national security, espionage, geopolitics, and corruption. It lightly walks the reader through the history of middle eastern conflicts, ultimately connecting the exploitation of Muslim republics in the 70s to the tragic events of 9/11. A thrilling and moving portrayal of how the western world has helped create the myth and spread of Islamic radicalization, this book is for everyone and anyone who craves answers to some of the biggest questions in our recent history. **Annual Report** Canada. Security Intelligence Review Committee, 1991 **Cyber-Threats to Canadian Democracy** Holly Ann Garnett, Michael Pal, 2022-06-15

From the Cambridge Analytica scandal to overloaded internet voting servers to faulty voting machines, the growing relationship between democracy and technology has brought to light the challenges associated with integrating new digital tools into the electoral system. Canadian politics has also felt the impact of this migration online. This timely book presents the first comprehensive study of the various cyber threats to election integrity across Canadian jurisdictions. Scrutinizing the events of the 2019 federal election, **Cyber Threats to Canadian Democracy** examines how new technologies have affected the practice of electoral politics and what we can do to strengthen future Canadian elections. Through the disciplines of political science, law, computer science, engineering, communications, and others, chapters shed light on some of the most contentious issues around technology and electoral integrity. The contributors address current domestic and foreign threats to Canadian elections, evaluate the behaviour of actors ranging from political parties and interest groups to policymakers and election administrators, and assess emerging legal and regulatory responses while anticipating future challenges to the quality of elections in Canada and around the globe. **Cyber Threats to Canadian Democracy** helps seed the study of digital technology's security risks, providing insight into what reforms are needed and evaluating existing legal and policy frameworks in light of these threats. **Studies in Intelligence**, 2005 **AI and the Bomb** James Johnson, 2023

This book provides a coherent, innovative, and multidisciplinary examination of the potential effects

of AI technology on nuclear strategy and escalation risk Its findings have significant theoretical and policy ramifications as well as contributing to the literature on the impact of military force and technological change *Government Reports Announcements & Index* ,1993-11 **Official Report of the Debates of the House of Commons** Canada. Parliament. House of Commons,2001 House of Commons Debates, Official Report Canada. Parliament. House of Commons,2001 **Canadian Statistics Index** ,1988 **The Engineer** ,1886 American Book Publishing Record ,2005 Microlog. Canadian Research Index ,1992 An indexing abstracting and document delivery service that covers current Canadian report literature of reference value from government and institutional sources Security ,1993 **Russian Organized Crime** William H. Webster,CSIS Global Organized Crime Project,1997 *Documentation Abstracts* ,1995 *Government Reports Annual Index* ,1993 *Mining Journal, Railway & Commercial Gazette* ,1908 Facts on File World News Digest Yearbook ,2001
