Citizenship and Democracy in Further and Adult Education Neil Hopkins, 2013-07-30 This book addresses the questions why citizenship education is an important subject for students in further and adult education and why we need democratic colleges to support the study of citizenship education It investigates the historical roots of further and adult education and identifies how the adoption of citizenship education in the

post compulsory sector can enrich vocational studies in further education and programmes in adult education It is argued that democratic colleges are vital to ensure that citizenship education informs the decision making process throughout educational institutions and as a means of establishing fair and equal representation for important stakeholders The author has worked in both sectors for over a decade and uses this experience to offer a blend of educational practice and philosophical investigation The result is a work that appeals to both teachers in further and adult education as well as academics and students interested in philosophy of education

The Form Book Borries Schwesinger,2010-06 Filling in forms affects all our lives yet as an aspect of design forms are often overlooked This unique sourcebook shows what good form design can achieve Order forms invoices applications and questionnaires should be designed to focus on the essentials and so make the communication of information faster and simpler But if a form is too complicated confusing or obscure it can become a barrier to communication wasting time and money and harming perceptions of a business or brand Successful forms do exist efficient streamlined and even stylish but they are a real challenge to create Packed with practical advice and inspiring ideas The Form Book brings together a comprehensive collection of great designs for both print and digital media showcasing a range of thoughtful elegant or witty approaches to form creation
