**Essential CISA Exam Guide** Phil Martin, 2018-09-05

Essential CISA has been written with a single goal in mind: to present the CISA material in a way that is easy to absorb without leaving any content behind. Plenty of examples are included to drive the points home so that when it comes time to take the CISA exam, you are ready. This exam guide covers all five ISACA domains, including:

- The Process of Auditing Information Systems
- Governance and Management of IT Information Systems
- Acquisition, Development and Implementation
- Information Systems Operations
- Maintenance and Service Management
- Protection of Information Assets

Over 250 exam text questions are included. Instead of presenting both technical details and auditing information at the same time, Essential CISA breaks the topics down into their own chapters. This means that you have a firm grounding in the technical details before diving into how to audit the various areas. This book is also available as an audio book read by the author.

Ignite the flame of optimism with is motivational masterpiece, **Cisa Exam Manual** . In a downloadable PDF format ( \*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
