# The Great Depression Begins

1929–1932

## Why It Matters

Prosperity in the United States seemed limitless before the Great Depression struck. Overproduction and agricultural problems contributed to the economic catastrophe. President Hoover looked to voluntary business action and limited government relief as solutions, but these efforts failed. Meanwhile, millions of Americans lost their jobs and life savings. Artists and writers depicted this suffering, and many people turned to lighthearted films to escape their difficult lives.

## The Impact Today

Events of this period remain important.

- Hoover's model of business-government cooperation is still influential.
- John Steinbeck's novel *The Grapes of Wrath* and Grant Wood's painting *American Gothic* are permanent artistic legacies.

### The American Republic Since 1877 Video
