Common Core Practice Book Grade 4 for math is to provide students, educators, and parents with practice materials focused  
on the core skills needed to help students succeed on fourth grade State assessments. A student will fare better on a test  
when s/he has practiced and mastered the skills measured by the assessment. A student also excels when s/he is familiar with  
the format and structure of the test. This book helps students do both. Students can use this math practice workbook to review  
key material and practice with standard tethered skill building exercises. They can also take math Grade 4 practice tests that  
reflect the rigor and format of the State tests. Students will become accustomed to how test content is presented which will  
enhance their test taking skills. By exam day, students will feel confident and prepared to do their best on challenging  
mathematics assessments. CCSS Test Preparation College and Career Readiness Math Grade 4. The Grade 4 end of year math  
test determines if students have mastered fourth grade Common Core mathematics standards and makes sure that they are  
getting ready for fifth grade. Preparation for these State assessments is essential. This workbook includes questions that  
mimic the format and content on official assessment so students can excel on exam day, covering all the 4th grade math  
curriculum including arithmetic, geometry, algebra, and measurement. What You Get When You Purchase this Math 4 Common  
Core Book: Skill building exercises organized by Common Core standard to help students learn, review concepts in the order  
that they will be presented in the classroom. These worksheets also help identify weaknesses that need to be addressed to  
excel on the exam. We include a variety of question types to help build skills in answering questions in multiple formats so  
students don't get tripped up by unfamiliar questions on test day. Two Grade 4 Practice Tests. Our practice tests are based on  
official State assessments for the Grade 4 Common Core curriculum. They contain the major question types including Multiple  
Choice and Constructed Response and include the same rigorous content found on State tests. Practice with Technology  
Enhanced Items (TEIs) in a paper-based format. By using this workbook, students can get used to all Grade 4 item types  
response formats. Answer Keys that contain detailed explanations to help students not make the same mistake twice. If a  
student is having difficulty in one area, encourage the student to practice that specific set of skills in the relevant worksheet.  
Test Prep Tips so students approach the test strategically with confidence. Additional Test Prep Books. Kweller Prep creates  
workbooks and test prep books written by seasoned educators who have familiarity with Common Core assessments and  
curriculum. Our educational workbooks are used by parents, teachers, and tutors throughout the US. Apart from 4th grade
