Intro	I grabbed the attention of the audience with my introduction and led them into my claim.	I tried to grab the audience's attention and lead them into my claim, but wasn't very successful.	I used one of the forbidden introductions (i.e. "My topic is", "don't you hate it when", "have you ever", or something equally icky.	No introduction.
	I made my claim clear.	I tried to state my claim clearly but it was confusing.	I didn't state my claim clearly.	No claim.
Claim (background/rationale)	I clearly stated my 1 st sub-claim. It supports my claim.	My sub-claim was somewhat clear. My sub-claim somewhat supports my claim.	I did not clearly state my sub-claim. It does not clearly support my claim.	My sub-claim is missing or doesn't support the claim.
Evidence	My evidence <u>strongly</u> supports my sub-claim and comes from reliable, credited sources. I use facts rather than opinion.	My evidence supports my sub-claim and comes from reliable, credited sources. I use opinions more than I should.	My evidence weakly supports my sub-claim and/or comes from questionable or un-credited sources. I use opinions too much.	My evidence does not support my sub-claim or is missing.

A Teacher's Guide to Using the Common Core State Standards With Gifted and Advanced Learners in the English/Language Arts National Assoc For Gifted Children, Todd Kettler, Elizabeth Shaunessy-Dedrick, 2021-09-23 A Teacher's Guide to Using the Common Core State Standards With Gifted and Advanced Learners in the English Language Arts provides teachers and administrators a blueprint for differentiating the Common Core State Standards for English Language Arts for gifted and advanced students through the use of acceleration depth complexity and creativity within and across grade levels. It illustrates the differences between learning experiences for typical and advanced students based on the same standard and provides an array of examples across five of the information text and literary text standards while integrating the other aspects of language arts teaching and learning. The book highlights implementation features such as classroom management and assessment of student work that allow teachers to make data based decisions about instruction for particular students. It also offers guidance to teachers on reading selections for advanced learners at all grade levels. **The Routledge**

Handbook of Public Speaking Research and Theory Stevie M. Munz, Tim McKenna-Buchanan, Anna M.

Wright, 2024-04-18 Providing a comprehensive survey of the empirical research theory and history of public speaking this handbook fills a crucial gap in public speaking pedagogy resources and provides a foundation for future research and pedagogical development. Bringing together contributions from both up and coming and senior scholars in the field this book offers a thorough examination of public speaking guided by research across six key themes: the history of public speaking, the foundations of public speaking, issues of diversity equity and inclusion, considerations of public speaking across contexts, assessment of public speaking, and the future of public speaking in the twenty first century. The evidence based chapters engage with a broad discussion of public speaking through a variety of viewpoints to demonstrate how subtopics are connected and fraught with complexity. Contributors explore public speaking in education business and professional settings and political contexts and outline how skills learned through public speaking are applicable to interpersonal small group and business interactions. Reinforcing the relevance importance and significance of public speaking in individual interpersonal social and cultural communication contexts this accessibly written handbook will be an indispensable resource for public speaking instructors and program administrators. It will also be valuable reading for Communication Pedagogy and Introduction to Graduate Studies courses. **The Assessment of Emergent Bilinguals** Kate Mahoney, 2017-02-20 A practical

guide to testing for teachers of English Language Learners. This textbook is a comprehensive introduction to the assessment of students in K-12 schools who use two or more languages in their daily life. English Language Learners (ELLs) or Emergent Bilinguals. The book includes a thorough examination of the policy history and assessment measurement issues that educators should understand in order to best advocate for their students.
