Grammar while not the most exciting part of English is incredibly important nonetheless grammar helps us to understand what we are reading you can write the most incredible story but if someone doesn't understand where one idea begins and another ends then they will put it down in frustration. Yes, grammar is important.

To save ourselves from having to endure countless grammar lessons, we are going to approach this topic differently. During our year of grammar study, you will have the **Freedom** and responsibility to be in charge of your own learning – with some exceptions.

Each quarter, grammar practices will be available to you online. You must print out and complete each grammar practice by the Quarterly Due Date. When you complete a practice, you may turn it in to me ANY TIME DURING THE QUARTER and I will review it. If you get any wrong, I will hand it back and you will have a chance to redo it and turn it back in. Keep practicing throughout the quarter until you earn 100%, because these practices will go in as quiz scores. At the end of the quarter, you will take a quiz reviewing all of the grammar rules learned so far in the school year.

1. Complete the three grammar practices for that quarter.
2. Turn them in to me and if they are all correct, I will sign off on this sheet indicating mastery.
3. If they are incorrect, I will review them with you and give you a chance to redo them.
4. At the end of the quarter, you will take a quiz over the grammar concepts. Keep reviewing your grammar because each quarter, the new rules will be added to the old ones.
