 their specific crafts The plumber the electrician the carpet installer the home builder all these and the many other
 contractors and subcontractors servicing America s homes and businesses know the technical aspects of their craft inside out
 But their knowledge of business systems often lags Too many of them fail when it comes to understanding how to manage
 cash use telemarketing techniques to get new business minimize their inventories and the dozens of other business
 techniques that spell the difference between success and failure The Business Doctor s book Why Trade Contractors Fail and
 How to Prevent It subtitled A Handbook of Financial Operations and Marketing Procedures to Help Trade Contractors
 Succeed addresses those issues It attacks specific problems that contractors face Most books addressing this market are too
 academic and excessively focused on theory This one is hands on practical the way blue collar contractors understand it and
