Deep Surrendering Episode Ten:

Startrucke J. Phillips, 2007-10-02 The voyages of the Startrucke Doobyprize Captain James T Smirk and the Fortran Mr Smock lead a group of intrepid adventurers into one non adventure after another Along the way they meet Yodel Hand Alone Princess Lane a Dorothy Auntie Em Nick of Cafe Americanisher in Marrakesh and many others Can they talk themselves out of one more *The Deadly Deep* Iain Ballantyne, 2018-12-04 A fascinating and comprehensive account of how an initially ineffectual underwater boat originally derided and loathed in equal measure evolved into the most powerful and terrifying vessel ever invented with enough destructive power to end all life on Earth Iain Ballantyne considers the key episodes of submarine warfare and vividly describes the stories of brave individuals who have risked their lives under the sea often with fatal consequences His analysis of underwater conflict begins with Archimedes discovering the Principle of Buoyancy Our clandestine journey then moves through the centuries and focuses on prolific characters with deathly motives including David Bushnell who in 1775 in America devised the first combat submarine with the idea of attacking the British Today nuclear powered submarines are among the most complex costly ships in existence Armed with nuclear weapons they have the ability to destroy millions of lives they are the most powerful warships ever created At the heart of this thrilling narrative lurks danger and power as we discover warfare's murkiest secrets Masanobu Tsuji's 'Underground Escape' from Siam after the Japanese Surrender Nigel Brailey, 2011-10-30 First published in English in 1952 this is an account by the notorious Colonel Tsuji of his escape through Thailand Siam supposedly dressed as a Buddhist monk following the Japanese surrender in Bangkok in August 1945 subsequently Tsuji was to find his way into China via Hanoi before returning to Japan in 1948 It is a remarkable story which includes significant analysis of Japan's relationship with Thailand and the latter's role in Asia as well as Tsuji's experiences in Kuomintang China In his Introduction Nigel Brailey states Tsuji Masanobu is at one and the same time one of the most interesting and preposterous figures of the entire Japanese war which if you rely on his own megalomaniac accounts he waged almost single handed This is an important book which has been carefully edited with supporting annotations and has its place in the military history of the period Controversially Colonel Tsuji who according to Louis Allen was responsible for unspeakable atrocities in Singapore and elsewhere during the Pacific War was never prosecuted for war crimes *Surrender (but Don't Give Yourself Away)* Spike Gillespie, 2003-10-01 Spike Gillespie is beautiful charming and funny She told me to write that It's also true especially the funny part Some of us are just a lot more alive than others and Spike is one of those people who lives at 90 m p h while experiencing everything that happens to her with an intensity that is either painful or hilarious but usually both If you can imagine Anne Lamott as a working class kid from Jersey with a penchant for losers you have an idea of Spike She's a woman grown now and signs of wisdom are setting in not that many years but a lot of mileage on the woman As a writer what she brings to the mountains of baggage in her life is not only humor but incurable honesty I think of her as a voice of the younger generation even though she's approaching

forty because she has no protective layer on her nerve endings no cynicism no been there done that no ability to dismiss anything as too freaking strange to bother with She experiences it all wide open and then reports back Molly Ivins nationally syndicated political columnist and author of *Molly Ivins Can't Say That Can She* Spike Gillespie's voice is highly idiosyncratic extremely charming and deeply personal She is such a winning heroine that you root for her for her son You want to smooth the way for them a bit through the hardships they endure with such great good humor Sarah Bird author of *The Yokota Officers Club* *Virgin of the Rodeo* and *The Mommy Club* Spike Gillespie tells it like it is Whether she's writing about men mothering or money she cuts to the chase unabashedly recounting the exhilaration and uncertainty she is forever encountering along the odd path that is her life Gillespie approaches her subjects with a keen eye for curious details and a readiness to ask hard questions and give honest even brutal answers Her willingness to put it all down the painful the funny the mundane the embarrassing has won legions of readers for her print and online columns *Surrender But Don't Give Yourself Away* collects forty six essays which initially appeared in such publications as the *Washington Post* *Austin Chronicle* *Dallas Morning News* *Bust Gargoyle* and *thecommonspace.org* As Gillespie describes them There are odes to my good days and bad to trips I've taken both real and metaphorical to holiness found in unexpected places to men I have not slept with to learning to live sober Too there are miscellaneous ruminations on my alter ego my inner teen the floor mat in my car a dead squirrel in the road Binding these pieces is the thread of hope there are moments the thread slips out of view only to resurface in some unexpected location Sometimes it takes awhile but Gillespie always relocates hope discovering even in her darkest times that life is full of an embarrassment of riches *Breaking Bad and Dignity* Elliott Logan, 2016-01-26 An ambitious interpretation of the critically celebrated and widely popular crime drama *Breaking Bad* this book argues that not only should the series be understood as a show that revolves around the dramatic stakes of dignity but that to do so reveals in new ways central aspects of serial television drama as an art form *Epochs and Episodes of History* , 1883 **Episodes of Anglo-Indian History** William Henry Davenport Adams, 1879 *Church Missionary Intelligencer and Record* , 1915
