

A.P. U.S. HISTORY NOTES

Chapter 13: "The Rise of Jacksonian Democracy"

~ 1824 - 1830 ~

- I. Politics for the People
 1. When the Federalists had dominated, democracy was not respected, but by the 1820s, it was widely appealing.
 - a. Politicians now had to bend to appease and appeal to the masses, and the popular ones were the ones who claimed to be born in log cabins and had humble backgrounds.
 - b. Those who were aristocratic (too clean, too well dressed, too grammatical, too highly intellectual) were scorned.
 2. Western Indian fighters and/or militia commanders, like **Andrew Jackson**, **Davy Crockett**, and **William Henry Harrison**, were quite popular.
 3. Jacksonian Democracy said that whatever governing that was to be done should be done directly to the people.
 4. Called the **New Democracy**, it was based on universal manhood suffrage.
 - a. In 1791, Vermont became the first state admitted to the union to allow all white males to vote in the elections.
 5. While the old bigwigs who used to have power sneered at the "coonskin congressmen" and the "bipeds of the forest," the new democrats argued that if they messed up, they messed up together and were not victims of aristocratic domination.
- II. Nourishing the New Democracy
 1. The flowering the political democracy was in part caused the logical outgrowth of the egalitarian ideas that had taken root in colonial times.
 - a. The steady growth of the market economy also nourished it.
 - b. More and more people understood how banks, tariffs, and internal improvements affected the quality of their lives.
 - c. The **panic of 1819** and the **Missouri Compromise of 1820** also helped it grow.
 2. In the panic of 1819, overextended banks had called back their debts, and often, farmers unable to pay up lost their farms while the bankers didn't have to lose their property because they simply suspended their own payments, and the apparent favoritism caused outcry.
 3. The problem with Missouri had aroused Southern awareness to how the North could try to crush their slavery once and for all.
 4. During the Jacksonian era, voter turnout rose dramatically, as clear political parties developed and new styles of politicking emerged.
 - a. In 1824, only 1/3 of all eligible voters voted, but that number doubled 4 years later.
 - b. Candidates increasingly used banners, badges, parades, barbecues, free drinks, and baby kissing in order to "get the vote."
 - c. Now, more members of the Electoral College were being chosen directly by the people rather than be state legislatures.
 - d. Since secret meetings now became unpopular, presidential nominations by congressional caucus emerged predominantly.
 5. Briefly, nominations were made by some of the state legislatures, but by 1831, the first of the circuslike national nominating conventions were held.
- III. The Adams-Clay "Corrupt" Bargaining.

David Monod

Chapter 13 The Rise Of Jacksonian Democracy Notes:

American Pageant Thomas Andrew Bailey, David M. Kennedy, Elizabeth Cohen, 1998 **The Soul of Pleasure** David Monod, 2016-05-24 Show business is today so essential to American culture it's hard to imagine a time when it was marginal. But as David Monod demonstrates, the appetite for amusements outside the home was not natural; it developed slowly over the course of the nineteenth century. *The Soul of Pleasure* offers a new interpretation of how the taste for entertainment was cultivated. Monod focuses on the shifting connection between the people who built successful popular entertainments and the public who consumed them. Show people discovered that they had to adapt entertainment to the moral outlook of Americans, which they did by appealing to sentiment. *The Soul of Pleasure* explores several controversial forms of popular culture: minstrel acts, burlesques, and saloon variety shows, and places them in the context of changing values and perceptions. Far from challenging respectability, Monod argues that entertainments reflected and transformed the audience's ideals. In the mid-nineteenth century, sentimentality not only infused performance styles and the content of shows but also altered the expectations of the theatergoing public. Sentimental entertainment depended on sensational effects that produced surprise, horror, and even gales of laughter. After the Civil War, the sensational charge became more important than the sentimental bond, and new forms of entertainment gained in popularity and provided the foundations for vaudeville. America's first mass entertainment. Ultimately, it was American entertainment's variety that would provide the true soul of pleasure. **American Pageant** David M. Kennedy, 1999-07 The book is suitable for one semester courses in American history as well as for courses that rely on supplementary readings in secondary historical works or primary sources. It maintains a commitment to telling the story of the American past, including essays enriched with discussion at many points of the contributions of women, expanded treatment of working class life, extensive analysis of the concept of republicanism, account of Reconstruction, substantial attention to African American and Native American history, and careful integration of social, political, and cultural themes in the post-World War II period. Preface *Illustrated Topics for American History* Albert Edward McKinley, 1912 **The American Spirit** Thomas Andrew Bailey, David M. Kennedy, 1991 Presents the social and political history of the United States through contemporary source materials from the era of Reconstruction to the present day. **Miscellaneous Publication**, 1930 *The Harvard Graduates' Magazine* William Roscoe Thayer, 1907 Narrative and Critical History of America Justin Winsor, 1888 The Rise of Radical Egalitarianism Aaron B.
