Chapter 17 Section 1

Allies Become Enemies:

How did the United States alliance with the Soviet Union begin to unravel before the end of WWII?

The alliance began to unravel before the end of WWII because the US was upset that Joseph Stalin, the Soviet leader had signed a nonaggression pact with Germany in 1939. Later, Stalin blamed the allies for not invading German-occupied Europe.

How was the YALTA CONFERENCE: A POSTWAR PLAN? What was the plan?

Yalta and Potsdam - the basics. Yalta - February 1945: Germany was not yet defeated, so, although there were tensions about Poland, the big three - Stalin, Roosevelt and Churchill - managed to agree to split Germany into four zones of occupation, and to allow free elections in Eastern European countries.

Why was the UNITED NATIONS CREATED? What was its purpose?

The United Nations is an international organization founded in 1945 after the Second World War by 51 countries committed to maintaining international peace and security, developing friendly relations among nations and promoting social progress, better living standards and human rights.

How were there DIFFERING U.S. AND SOVIET GOALS after WWII?

They had opposite ideologies: the USA favored capitalism whereas the Soviet Union supported communism.
