3. **Problems:** Burgeoning inflation.

--	---

4. **Problems:** Labor unions that threaten to supply the nation.

Solutions offered by the Truman administration	Truman's administration took the striking workers under federal protection to keep the jobs. He instructed the federal government to union that threat. And President he kept control of the economy, for the very first time (and he said so then).

5. **Problems:** Discrimination and racial violence.

Solutions offered by the Truman administration	The Truman administration passed an anti-lynching law, a fair employment practice commission, a government civil rights commission, integration of the armed forces, ordered set aside for discrimination in the federal government employment.
---	---
